

THIRTY-FIRST ANNUAL REPORT
—OF THE—
BOARD OF MANAGEMENT
—OF—

ST. ANDREW'S CHURCH, LONDON,

For the Year 1881.

At the close of another year of general prosperity to the congregation, the Managing Committee, in submitting their Annual Report, desire to return their sincere thankfulness to God for such prosperity, and to hope that the good health now enjoyed by our esteemed pastor and his family may be continued.

The Committee contemplate an appeal to the Congregation for the funds necessary for upholstering the seats, painting the inside woodwork, and re-frescoing the walls of the Church, which would greatly improve its comfort and appearance, and trust that if such an appeal is made, the Congregation will subscribe suitably.

The Secretary-Treasurer's accounts, which are submitted, containing the receipts and expenditures during the year 1881, shew:—

- 1st—The ordinary revenue amounted to....\$4,485.42
being an increase over 1880 of \$272.31.
- 2nd—The Sabbath collections amounted to.. 2,129.98
being an increase over 1880 of \$214.15.
- 3rd—The revenue from pew rents amounted to 2,355.44
being an increase over 1880 of \$58.16.

Owing to the reduction in the rates of interest during the past year, the Committee have been able to obtain a reduction in the rate paid by the congregation under its mortgage from 7% to 5½% per annum.
