SPIRIT OF THE TIMES.

Lacrosse.

The Orient lacrosse team of Montreal gave a fine exhibition of the game yesterday at the St. John A. A. grounds. The attendance was not very large, and was mostly composed of ladies. The Unions were pitted against them, and worked energetically to win. But the Orients could handle the sticks with amazing skill, and further more they displayed greater judgement and cleverness in placing the ball than their opponents, because of practice and and experience.

The teams were as follows:—

Unions.	Position.	Orients.
Tufts,	goal,	Millard,
Davis,	point,	Draper,
Bartsch,	coverpoint,	Anderson,
Armstrong,	first defence,	O'Brien,
Jones,	second defence,	Franklin,
McCaffrey,	third defence,	Pullen,
Magee,	centre field,	Irwin,
Peters,	first home,	McLean,
Esson,	second home,	Fairburn,
Walker,	third home,	Watt,
McFarlane,	outside home,	Murphy,
Mahon,	inside home,	Patton,

The ball was "faced" at 3.30 p. m. and after several sharp passages was sent through the Unions' goals. Time 9 minutes. The Unions won the next, and the Orients the two following. The fifth was the most hotly contested of them all and it took 25 minutes to hand the ball between the flags, which Mahon successfully did. The Unions also won the eighth in 15 minutes. The visitors put in several goals of which no count was kept, and they practically did what they liked with the rubber. They are good runners, throwers and dodgers.

To-day they play the Beavers at the Shamrock grounds.

THE GATE RECEIPTS WERE NOT LARGE.

It would be a considerate act for the St. John A. A. club to make no charge for the use of their grounds yesterday. The Orients had a very small attendance at the game, and as they are under heavy expense in coming here, and are furthermore purely amateurs, the St. John club should allow them yesterday's privilege gratis.

The Orients are touring through the provinces, and will doubtless do much towards increasing the interest in Canada's national game—lacrosse. They should receive the assistance of the Amateur clubs, whose object it is to place amateur athletics ahead of professionalism.
