

Representative and Champion of American Art Taste.
PROSPERITY FOR 1875—EIGHTH YEAR.

THE ALDINE, THE ART JOURNAL OF AMERICA, ISSUED MONTHLY.

A MAGNIFICENT CONCEPTION. WONDERFULLY CARRIED OUT.

The necessity of a popular medium for the representation of the productions of our great artists, has always been recognized, and many attempts have been made to meet the want. The success of the Aldine, which so invariably allowed each attempt in this country to establish an art journal, did not prove the indifference of the people of America to the claims of high art. So soon as a proper appreciation of the want and an ability to meet it were shown, the public at once rallied to the support of this support, and the result was a great artistic and commercial triumph—THE ALDINE.

THE ALDINE, while issued with all the regularity, has none of the temporary or daily character of the ordinary periodicals. It is an elegant and literary journal, in which the most successful artists of the day, in black and white. At length each succeeding number offers a fresh pleasure to its friends, the real value and beauty of THE ALDINE is most appreciated after it is bound up at the end of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, THE ALDINE is unique and original conception—alone and unapproached—absolutely without competition in price or character. The possession of a complete volume can not but give the quantity of fine paper and engravings in any other shape or number of volumes for the same time, its cost, and then, there is the chronic, bi-ides!

The national feature of THE ALDINE must be taken into account. The artist's compulsion. While THE ALDINE is a strictly American institution, it does not confine itself entirely to the reproduction of native art. Its mission is to cultivate a broad and representative taste, one that will discriminate only on grounds of intrinsic merit. Thus, while placing before the patrons of THE ALDINE, the leading characteristics, the productions of the most noted American artists, attention will always be given to specimens from foreign masters.

The artistic illustration of American scenery, original with THE ALDINE, is an important feature, and its magnificent plates are of a size more appropriate to the satisfactory statement of details than can be afforded by any inferior page. The judicious representation of landscape, marine, figure, and animal subjects, sustain an unbroken interest, impossible where the scope of the work confines the artist too closely to a single style of subject. The literature of THE ALDINE is a light and graceful accompaniment, worthy of the artistic features, with only such technical discussions as do not interfere with the popular interest of the work.

PREMIUM FOR 1875.
Every subscriber for 1875 will receive a beautiful portrait, in all colors, of the same to his dog whose picture in a former issue attracted so much attention.

"MAN'S UNSELFISH FRIEND"
will be welcome in every home. Everybody loves such a dog, and the portrait is executed so true to life, that it seems the veritable presence of the animal itself.

Besides the chromo, every advance subscriber to THE Aldine for 1875 is constituted a member, and entitled to all the privileges of THE ALDINE ART UNION.

The Union owns the originals of all THE ALDINE pictures, which, with other paintings and engravings, are to be distributed among the members. To every series of 5000 subscribers, 100 different pictures, valued at over \$2,500 are distributed as soon as the series is full, and the awards of each series as made are to be published in the next succeeding issue of THE Aldine. This feature only applies to subscribers who pay for one year in advance. Full particulars in circular sent on application enclosing a stamp.

TERMS.
ONE SUBSCRIPTION EXISTING TO THE ALDINE ONE YEAR, THE CHROMO AND THE ART UNION,
\$5 per annum in advance.
(No charge for postage.)

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Walker's Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Walker's Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let them use WALKER'S BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form.

R. H. McDONALD & CO.,
Druggists and General Agents, San Francisco, California,
and cor. Washington and Charles Sts., New York.
Sold by all Druggists and Dealers.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Grateful Thousands proclaim WALKER'S BITTERS the most wonderful Invigorant that ever sustained the sinking system.

Biliousness, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Kentucky, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary.

There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiating Blood.

Mechanical Diseases. - Persons engaged in Paints and Minerals, such as Painters, Typesetters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Furuncles, Boils, Carbuncles, Ringworms, Scald Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.
