THE SUBJECT DESIRES TO REDEEM HIS WATCH.

Montreal Fugitive in No. 2000 Almy's Double-A Practical Failure of the Best Through Canada. MONTREAL, Que., July 23.—It must be admitted that the consensus of all the developments of the past 12 hours are against, rather than favorable to, the finding of the murderer, Frank Almy, in this city, or even in this province.

Did he have any marks about him? Sheriff Miles inquired. "Yes, he had a scar on his left arm." "Are you sure?" "Perfectly. I noticed it particularly because the wound was not yet healed."

Mr. Stuart's examination was bringing to light various mysterious features of the case which he was defendant in four actions in Quebec. Cause number one was an action of criminal negligence against the defendant, who was charged with the care of a horse which he had been riding.

THE ACCIDENT OF THE CORDELLA. Mr. Persons Killed and Others Injured by Explosion of a Gun. MONTREAL, July 25.—Lord George Hamilton, who was in the hands of the Montreal police, said Sheriff Miles, "made as follows:—The man who deposited the watch here has sent \$1.90 to me to-day, asking me to forward the watch by the conductor on whom train he went to Montreal."

PROSECUTION. FREDERICKSON, July 25.—A meeting of the Board of Trade was held yesterday afternoon to hear the report of the committee appointed at a previous meeting to interview a society No. 34. The committee from that society stated that they could not go on with the show unless they had about \$3000 to carry on the work.

THE WEATHER. WEDNESDAY, July 25.—Forecast shows, stationary temperature, west winds.
