At Oak Bay on Saturday Victoria West will meet the Ladyman intermediates. The game between these two teams resulted in the victory of Ladyman, but the Victoria Wests were then playing from home and were, moreover, handicapped by not having their best players. As the locals will be fully represented on Saturday, the game will prove very interesting, and the winners of the match will be the intermediate champions of the Island for the ensuing year.

HOCKEY.

A FIGHTING GAME.

Montreal Wanderers defeated the Shamrock Shamrock hockey on the ice two weeks ago by 15 goals to 5. In the closing stages of the game a general fight among the players livened up a "slow" game.

The degeneration of Canada's great winter sport, brought about by the rough play indulged in by many clubs, is shown by the fact that the Wanderers, of Montreal, who are playing in the Victoria Coliseum in a return game in the Eastern Hockey League, have demanded police protection. They have requested the Ottawa chief of police to give adequate police protection during the match, and the Ottawa chief of police has agreed to their request.

THE CHARGE.

The charge against Harry Smith, the noted Ottawa hockey player, who was charged with a fight on the ice at Montreal last week, was dismissed. The case was a sequel to the charge against Smith in the Victoria Coliseum on Saturday night. The charge was dismissed because the evidence was not sufficient to prove that Smith had committed the offence.

SEATTLE IN WINNING FORM.

In a very rough game the Seattle Athletic Club defeated the Bellingham Y. C. in a basketball game on Saturday night. The Seattle team was in winning form and the Bellingham team was in losing form. The game was a close one and the Seattle team won by a narrow margin.

THE RING.

Battling Nelson, the great lightweight pugilist, arrived in New York on Saturday night on the steamer Lucania, looking as healthy as if he had been in training for the past two months. He was met by a number of friends, who greeted him with a royal welcome as he walked down the gangplank.

COMES FROM SKAGWAY.

C. P. R. steamer Amur reached port Tuesday coming from Skagway and way ports on the Northern British Columbian coast. She reports that the weather is still bitterly cold in the north. The 29th inst. Championship medals will be presented in each class, ranging from bantam to heavyweights. Many entries have already been received and the tournament promises to prove of a highly successful nature. Entries will close on the 27th of March, and intending contestants should send their names to the gymnasium committee of the Vancouver Athletic Club.

MISCELLANEOUS.

THE GREAT SLEDGECHASE.
Turk interest throughout the British Isles is now centred on the Grand National Steeplechase, which will be run on the 22nd of March over the Aintree course at Liverpool. Since the last mention of the Grand National was made in the Times, an interesting change has come over the market in connection with that event. Asstic Silver, last year's winner, is being heavily backed and is now running Timothy Titus close for the position of favorite. Asstic Silver is top weight in the handicap, and the question which is agitating backers is whether he will be able to give the weight he is carrying to Timothy Titus. The latter animal has made several bold tries for the long distance and is showing more than incapacity brought about by his last downfall. He still maintains the position of favorite, being quoted at 10 to 1.

Word was received at San Francisco on Saturday of another derelict floating in the track of the lumber vessels to the south of there. The prisoner, it will be remembered, came to Victoria on the steamer Shurway and was arrested by Sgt. Murray and Officer Carter, of the provincial police, upon his arrival at this port. This was done on the strength of cablegrams sent from the authorities at Shanghai. Good finally consented to return to China and face the charge preferred against him, that of embezzling funds of the company which he represented. He was returned by one of the Empress liners and the trial resulted in his being found guilty and receiving the sentence referred to.
