PILOTAGE :-- Ottawa advices state that Moncton has been made a pilotage district under the Pilotage Act of 1873. Amended rules and regulations respecting pilotage have been framed by the

pilotage authorities of St. Mary's and Liscombe, Bridgewater, Louisburg, and Little Glace Bay, in Nova Scotia, Caraquet, N. B., and Gaspe, and the regulations have received the sanction of the Governor in Council.

shine snd warmth, but, since that time, friends. up to and including yesterday fires were needed in dwellings to render them at all comfortable.

THOSE HEMLOCK LANDS - Vesterday the track of land on Bass River Kent Co. applied for by the Messrs. Miller, of Mil. lerton, for hemlock bark purposes, was brought to sale at the Crown Land offices lericton. The bidders were the Messrs. Miller, Mr. Yerxa, the York County Re. gistrar (who acted as agent for somebody), and Mr. George, a bark dealer. The lands, except one 200 acre lot, were purchased by the Messrs. Miller at an average of \$ 1.50 per scre. Mr. Yerxa had a lot dropped on

WORKS,-In addition to recent improve ments made in the mineral water works of Mr. James Ready, Union street, a steam engine and boiler are being put in. The machinery was purchased from Mr. Levi Young, who had it in use in his factory, Waterloo street. During the summer Mr. Ready proposes to run steam pipes through approaching warm weather demanded the am nower, which will prove none the less advantageous during the winter. -

ST. ANDREW'S CHURCH BAZAAR -The Bazaar in aid of the debt on the S. S. Hall was opened by the ladies of St. Andrew's Church, in the Masonic Hall, yesterday morning. The stalls were well fur. nished, and tastefully laid out, and with the assistance of the scenery at the further end of the hall behind the refreshment table and other decorations, the effect was very good. An excellent dinner and tea were provided, which were well patronized, and the attendance through the day, notwithstanding the weather, was very

THE HIGH TIDE AND STORM predicted by some of the Astronomers for last this strange animal of the Northesk Sunday did not happen, and some other astronomers descovered that there was nothing in the predictions, a few days in alvance. The tides acted strangely, however, behaving in St John's just about as they did with us. Saturday's Telegraph

said;—
At the quartering of the moon the tides of this harbour usually fall off or neap about three feet from the full or new of the moon, when they are fall or spring. At the full of f he moon, last week, we had our spring and during the week the tides that railly fallen off from that height. Yesterday afternoon they were fully three feet higher than on an ordinary tide so near the last quarter of the moon, and probably we will have another high tide this afternoon.

A Singular Animal. Quite a sensation was caused last week

in the vicinity of Redbank, Northesk, by the appearance of a strange and terrifying James Powers, blacksmith, of Redbank, whose horse took fright at it. Mr. Hubbard was quite near to the creature and the name of the Gloucester Mining Co. shouted at it, whereupon it turned about in an ungainly kind of way and ran off on seven feet long with arms and legs, but running on all fours. The head is of a election. dark color and the face has features resembling those of a human being. The body is of lighter color and covered with hair When Mr. Hubbard shouted at the animal it threw one of its hind feet forward with a kind of lateral motion, overlapping the foreleg or arm and then twisted the body after it and went off in a slouching manner. It was observed that the creature had no

It was observed that the creature had no tail, a fact which gives color to the supposition that it is an animal of the gorilla family. Prof. Grote, describing the gorilla, says it has no more tail than a professor, while the knowledge that monkeys have tails, and the idea that these external appendages are a badge of general monkeyhood are deeply rooted in the popular mind. But the apes are as tailless as man and no more so. Further developments connected with

woods will be awaited with much interest.

The first day's sessions were held with closed doors, and the order of business The probationers passed their examination satisfactorily. Rev. Mr. Wells having completed his probation was unanimously recommended to Conference for ordination and reception into full connection.
