MR. GEO. K. MCLEOD'S MILL BURNED :-Mr. George K. McLeod, who had but recently returned from across the Atlantic, received a telegram from Richibacto last evening, stating that his fine new steam saw mill at that place was burned to the ground during the afternoon. The mill was very completely equipped with the most im proved machinery and was only finished last year. The boiler house was detached from the mill, and both were covered with iron goofs, thus affording the best security against fire from the outside. Mr. McLeod has not yet learner the particulars as to the origin of the fire.
