FLOUR, ME ETC.

There is no change in quotations except that \$3 50 is now the outside figure for granulated cornneal. Flour is quiet. Wheat

closed at 56 for May and 612 for December in Chicago Menday. These figures indicate the terribly depressed condition of the market. Middlings and bran are steady.

Cranberries are cheaper, lemons have

lower and case oranges a higher range. Currants are a little firmer, but no higher in price. A little fruit from the wrecked S. S.

cargo the Yarmouth Packet was expected to bring did not come. A. L. Goodwin pur-chased about two cars of lemons at the Mon-

treal fruit sale yesterday (Monday.)

There is no change in prices. Shipments f lumber to the British market yield fair

returns, but the American trade is profitless,

if not a lesing one. The season's stream driving appears to be progressing all over the province mere rapidly and there-fore mere cheaply than usual, and is so

much to the advantage of the owners of the logs. It is said that the drives on the main

streams are about a fortnight ahead of last year, and that few logs will be hung
