JAPANESE LOOTED AN ALASKAN VILLAGE

SEATTLE, Wn., Sept. 29.—A report has been made to the United States Consul Smith, of Vancouver, by Capt. Munro, of the schooner Case, of the alleged pillaging of the Alaskan village on Litik Bay, on the southwest Kodiak Island by the crew of a Japanese sailing schooner operating in the Bering Sea this season.

The Case called at Litik Bay for water, and the Russian priests asked Capt. Munro to inform the United States authorities of the outrage. The Japanese landed from the schooner, broke open houses and looted right and left. All manner of things were dragged from the houses.

Another report was received that the Japanese scullers had landed on Shokoff Island, and killed cattle running on ranches there.

PRIZE WINNERS IN LIMERICK CONTEST

Seventy One Coupons Were Received Last Week

A New Verse is Provided for This Week's Competition—Some of the Answers Were Very Good.

The prize winners in the first week of the Star's limerick contest were as follows: First prize, Ernest P. Weldon, 23 Union street, St. John, Prize, \$2.50.

Second prize, M. Pearl Sprague, 522 Main street, St. John, Prize, \$1.25. The line submitted by Miss Sprague was: "Her motto was work before play."

Third prize, J. T. McEwan, 24 Prince William street, St. John, Prize, \$1.00. The line submitted by Mr. McEwan was: "No guess why she failed? Hurray!"

In the final selection the three following lines were regarded as the best in the lot next to the winners: "For she'd worked while her friends were at play," sent in by Miss Myrtle Maher, 179 Westmorland road.

"I deserve it, with the interest already aroused a much larger number will be received during the present week."

Considerable difficulty was experienced in selecting what are regarded as the best lines sent in. The plan adopted was this: Eight members of the Star staff were given separately the coupons and each one picked out from all those submitted the six which he or she considered the best.

All, there were seventy-one entries received, bringing the total amount of money to \$16. Dividing this by the proportion of 50, 30 and 20 per cent, the prizes are \$2.50, \$1.25 and \$1.00, which amounts will be sent today by mail to the winners.

The number of entries for the first week in such a contest was very gratifying and it is anticipated that with the interest already aroused a much larger number will be received during the present week.

"But she failed to her utter dismay," sent in by G. G. in McNichol, 57 Coburg street, St. John.

"What made her feel happy and gay," sent in by Arthur J. White, 125 Adelaide street.

The competition will be continued this week. On page seven of today's paper the coupon will be found. The conditions are exactly the same as in last week's contest, with the exception that a different verse will be provided. The verse for this week is:

A young man from Montreal, Que., "Thought he'd like a long voyage at sea; But he hurried back quick, For the waves made him sick, ? ? ? ? ?

There are more chances for the exercise of original poetic talent than in the verse furnished last week. Cut out the coupon on page seven, fill in the blanks and enclose it with ten cents to "Limerick, Star Office." Try it as often as you like, the more the merrier. See if this week's prize cannot be brought up to ten dollars.
