A certain cure for Scorbutic Eruptions and other Diseases of the Skin.—It is an undisputed fact that Holloway's Ointment is the only one which in all cases is infallible. Cases that the most eminent medical practitioners have dispaired of relieving, immediately yield to its curative powers, and when used in accordance with the printed directions which accompany each pot, with Holloway's Pills, the two combined thoroughly eradicate the most inveterate of these diseases, and leave the sufferer without a blemish.

Dr. Noble's Invigorating Balm.

THIS admirable preparation is the most effectual remedy known for Baldness and falling off of the Hair, giving it a rich glossy appearance, unequalled by anything of the kind. It contains no alcohol or alkaline substance, (as all the washes do which are now used,) and will restore the natural colour after those articles have deprived the hair of it. We can refer enquirers to persons, both old and young, many of them who have been bald several years, and have had their hair stored by this preparation. It acts by assisting nature and will in no way prove injurious. Prepared and Sold by
