Prince Edward Island is the greatest horse breeding province in the Dominion of Canada. In 1886 its breeders exported \$100,000 worth of horses. In 1887 they increased the amount to \$200,000; last year the value of horses exported was over \$300,000, and by the present outlook this year will much exceed any previous one.

If a purely charitable institution were to distribute \$55,000,000 to the victims of misfortune amongst us, the circumstance would challenge the admiration of the civilized world. The greatest misfortune that can befall a family is the loss of the bread-winner by death. At this moment the Dominion Safety Fund Life Association, St. John, N. B., has poured \$55,000,000 into such homes—not through humiliating charity, but through the unselfish devotion and business prudence of the deceased.

Deaths. EVERETT.—At his residence, St. John, April 20, peacefully passed away in triumphant faith in his Saviour, Mr. C. Everett, aged 86 years. Bro. Everett joined the Baptist church in Fredericton Oct. 14, 1824. Removing to St. John, he united by letter with the German street church in 1827. When the Brussels street church was organized he, with many others, took letters from the mother church, and for years he was closely identified with the progress and growth of the Brussels street interest. Later he, with the late Bro. Bradshaw, was instrumental in organizing the church at Hampton Station. In 1888 he again took letters from the German street church, for which he had continued to have for more than sixty years a strong love. He was able to be present at the Sunday services, and was with us at the April communion, and then soon passed to his reward. Bro. E. was deeply interested in our denominational work, one of his last public acts being the putting in his pastor's hands his yearly missionary contribution. His widow and seven surviving sons have the consolation that "Precious in the sight of the Lord is the death of His saints."

WOOD.—His home at Cambridge, Kings Co., N. S., April 3, after a protracted and severe illness, at the age of 52 years, Sister Benjamin Wood. Sister Wood was one of God's faithful ones. This element of faithfulness was very conspicuous in her life. She was baptized by letter into the fellowship of the First Cornwallis Baptist church in April, 1863. From that time she manifested her faithfulness for her Saviour by her consistent life. The pastor could depend upon her presence at the prayer-meetings of the church, in almost all kinds of weather. And during her illness, which continued through the winter, and since her death, she has been very much missed. During her illness patience revealed itself in a conspicuous manner. The nature of her disease was such as to cause her immense sufferings, and at no time did she utter a word as she heard to complain. She looked at her sufferings as intended by the Lord to purify her as gold is purified, and to make her a vessel meet for His glory. Sister Wood has gone home to Jesus in much peace and joy. Her example has so impressed itself upon her family that, in a certain sense, we can say, she is still with us. May the Great Comforter pour His consolation into the hearts of her mourning husband and children.

HONEY.—At Grier Settlement, St. Martin, May 10, infant son of Mr. and Mrs. Charity Honey, aged 1 year and nine months.

BALSOR.—In Cambridge, Mass., 320 Green street, May 5, Johnny F., beloved son of Fred and Ruth Balsor, aged one year nine months and five days, of diphtheria.

Her walk was that of a consistent Christian, consequently, when the end approached, she manifested no fear. It was a privilege to visit her on her death-bed and witness the calmness, peace and confidence of the hope she entertained in her Saviour. She leaves a sorrowing husband, two children, an adopted son, and a devoted family.
