METHODIST

Some people are not aware that the Old Church Methodists are not so slow going as they are sometimes represented. They began the year 1914-5 with a debt on their Missionary Fund of about sixty thousand dollars, they closed the year with the income as good as a year ago, and the debt reduced to forty-five thousand dollars. All this notwithstanding all the other funds needed, and caused by the war.

A returned Missionary tells of how certain the people have become because they had been told and believed that "the devil was dead." This is in India. In West Africa the natives wear charms made of leather and monkey skin with a graven image of Satan decorated with Carve shells. Also an image of Satan's Wife, but said one man "I left her home," the best place for her. Satan is of all beings most feared by these people, and most propitiated by offerings. An effort is being made in England to secure the pledge of total abstinence known as the King's Pledge by every Wesleyan Methodist in the land, over thirteen years of age, with what success is not yet fully known.

The man who looks after Tommy and Jack in the army and navy, at home and abroad, is the Rev. I. H. proud of the way the men in active service are looked after, her chaplains, and those appointed to this work shirk no duty or lose opportunity to serve.

The oldest Methodist Church paper in the U. S. shows a gain of 33 per cent in its subscription list in the past two years.

Their committee on Evangelism suggests three slogans for 1915-16, 250,000 new members, 500,000 personal workers, 1,000,000 volunteers for life work. The finance committee ask for \$4,500,000 for the seven great benevolent funds.

Mrs. George F. Sands, of Cincinnati, has an unusual list of Lincolniana, in the form of the Certificate of Life Membership in the Missionary Society issued to President Lincoln.

The T. Eaton Memorial Church, Toronto is included in a series of articles in an American Exchange, describing Unique churches and their ministers.

The Methodist Episcopal Church, South, has on its rolls the names of nearly seven thousand itinerant preachers. Of these eight hundred have become incapacitated for active service through old age, or some other infirmity.

The Methodists were the first Protestant church to enter South America. In Buenos Aires we have been eight years. The Annual Conference, East, has about fifty members and Evangelists. The increase in Church membership has varied from two to eighteen per cent. Evangelistic results are increasingly apparent. The present need is more money. There is \$1,000,000 more spent for pastors salaries and current expenses in the West Chicago District than in the seven republics with twenty millions of people.

The sixth session of the Italian Mission convened in Baltimore, fifty missionaries were in attendance, representing churches from Indianapolis and the Atlantic Ocean. Italians responded readily to the Gospel of Jesus Christ.

Efforts are being made to unite all the African Methodists in one body, they number 1,800,000. A gratifying revival is in progress at Yarna, Bulgaria.

PRESBYTERIAN

Lord Aberdeen, former Governor General of Canada, was Lord High Commissioner from the royal court to the General Assembly of the Presbyterian Church of Scotland at its annual meeting in May.

Two of the most prominent Presbyterian ministers in Canada have recently called as chaplains in the overseas expeditionary force. Rev. R. Taylor, of St. Paul Church, Montreal, has gone as chaplain to the 4th Battalion, Royal Highlanders, and Rev. C. W. Gordon (Ralph Connor), of St. Stephen's Church, Winnipeg, as chaplain to the 43rd Battalion.

Rev. G. D. Wilson, Ph. D., of Augustine Church, Winnipeg has accepted the call to High Park Church, Toronto. Another minister of the west who returns to Toronto is Prof. G. G. Pidgeon, of Westminster Hall, who has accepted the call of Bloor St. Church, to become colleague and successor to Rev. W. G. Wallace, D. D.

St. Andrew's Church, Campbellton, N. B., has secured a new minister in the person of Rev. Hugh Miller of Knox Church, Glace Bay, N. S., and whose induction was set for June 18. Mr. Miller is a graduate of Dalhousie University, and of Halifax Presbyterian College. He was ordained in 1904 when he was inducted to the pastoral charge of Union Church, Hopewell, N. S. In 1911 he accepted a call to Knox Church, Glace Bay, where he has discharged the duties of his office with much efficiency. The Presbytery of Miramichi will heartily welcome him to this membership. Revs. J. R. Miller, W. McN. Matthews, W. G. Firth and Dr. J. F. Polley were appointed to take part in the induction service.

Among items of interest in connection with churches in the Old Land we note that the United Free Church of Scotland elected Prof. A. R. MacEwen, of New College, Edinburgh, moderator of the General Assembly, Prof. James Denney, D. D., Principal of Glasgow Theological College, and Prof. James Moffat, D. D., of Mansfield College, Oxford, to the chair of Church History in Glasgow. Dr. Denney, mentioned above, was the special lecturer in the post graduate school in connection with Halifax College in 1909.

SHARP ATTACK REPULSED

Dangerous Condition Relieved Just in Time By "Fruit-tives"

MR. F. J. CAVEEN
632 Gerrard St. East, Toronto.

For two years, I was a victim of Acute Indigestion and Gas in the Stomach. It afterwards attacked my Heart, and I had pains all over the body, so I could hardly move around. I tried all kinds of medicines but none of them did me any good. At last, acting on the advice of a friend, I decided to try "Fruit-tives." I bought the first box last June, and now I am well, after using only three boxes. I recommend "Fruit-tives" to anyone suffering from indigestion, no matter how acute. FRED J. CAVEEN.

"Simple Indigestion often leads to Heart Attacks, Catarrh of the Stomach and constant distress of mind and body. If you are bothered with any Stomach Trouble, and especially if Constipation troubles you, take "Fruit-tives." 50c. a box, 6 for \$2.50, trial size, 25c. BAPTIST

A Turning of the Tables

The following is from the Watchman and Examiner:

While Christians are holding on to their money with miserly niggardness, and sending few missionaries to Japan, the Japanese are bringing Buddhism to America. In a Fresno, California, the Buddhists have erected a beautiful temple. It is said that these Japanese Buddhists intend to entertain a missionary attitude toward America!

Calvary Church, New York.

Calvary Church, Borough, of Manhattan, New York, of which Dr. Robert Stewart MacArthur was for more than two score years the distinguished pastor, has invited Rev. Joseph W. Kemp, of Charlotte Chapel, Edinburgh, Scotland, to become its minister. Upon the invitation of the pulpit committee Mr. Kemp came from Scotland and spent four weeks with the church. He preached on Sundays, conducted the prayer meetings, and made the acquaintance of many in the congregation. He proved himself a brilliant preacher of the Gospel and an extraordinary Bible expositor. After concluding his brief term of ministry he took passage for his homeland. Meanwhile the pulpit committee had decided to recommend that the church call Mr. Kemp to the pastorate. At a church meeting held on the evening of May 28 the call was extended. No definite answer to the call has yet been received.

A Great Message

The Baptist Times, Eng., announces that the "Message to the Church in Time of War," delivered to the Spring Assembly of the Baptist Union by Dr. Charles Brown, has just been published in pamphlet form for wider distribution. Through the generosity of a friend a copy is being sent to every minister in membership with the Baptist Union and to all the correspondents of the Baptist World Alliance, and we hope that with their help a large circulation will be secured for it. It is supremely the message, not only for the Church, but for the nation, in this crisis.

The Late Dr. Harry Guinness

Dr. H. Gratton Guinness, more familiarly known as Dr. Harry Guinness, passed away at his home, Sydenham Hill, London, on May 25th, aged fifty-three. He was stricken down with some mysterious disease which baffled the skill of the most eminent medical men of the old country. He succumbed after a series of operations.

Dr. Guinness was well known in many parts of the world, as a very successful evangelist. His father was the founder of the East London Missionary Training Institute, later known as Harley College. From this college men and women were sent

to all parts of the world for Christian service, but chiefly to the Congo, South America, and Behar, under the Regions Beyond Missionary Union.

On the death of his father, Dr. Harry Guinness became acting director of both the college and the Missionary

Union. It was his first intention to go into the foreign fields as a medical missionary, for which he took a five years course in medicine at the London Hospital. But after two years in Australia and Tasmania, creating a new interest in missions and carrying on extensive evangelistic works, he was persuaded to stay in London and aid his father in directing the work of the college. Dr. Harry Guinness was a member of the East London Tabernacle, but all Evangelical demonstrations studied together and while not losing loyalty to their particular denomination, they learned to love and to understand those who differed from them.
