## "Tony" And "Tex" Plan For Big Winter Bouts

BESIDES BEING ONE OF THE LEADING BOXING AUTHORITIES IN THE WORLD, Anthony J. Drexel Biddle is superintendent of one of Philadelphia's most fashionable Sunday Schools. Above he is seen officiating in the latter capacity, and also engaged in a lively bout with former Champion Kid McCoy. Biddle was referee of the recent Dempsey-Willard fight, which Richard promoted.

### WALLACE IS WILDE'S LOGICAL OPPONENT

Manager "Doc" Cutch, of Patsy Wallace, lightweight champion of America, claims that his boxer is Jimmy Wilde's logical opponent and here are the following reasons for thinking so:

Because Patsy Wallace, the present sensation of the boxing world, has beaten every boy that he has met and holds a six-round newspaper decision over Pete Herman, the bantamweight champion of the world to whom he conceded weight, reach and height, which is a wonderful feat itself. Wilde will not have to concede height, weight and reach to Wallace, as Wallace has a similar reach, is 1 inch shorter and will make 107 pounds at 3 o'clock day of fight.

Although it is admitted that Wilde has beaten men heavier than himself he has never beaten the world's champion of the class above him, as Wallace did when he beat Pete Herman, bantamweight champion of the world.

### WOODSTOCK WILL HAVE ICE RACES

Woodstock, N. B., Nov. 18.—The Woodstock Driving Club held its annual meeting last night. The attendance was large and the favorable reports submitted aroused much enthusiasm. The officers elected for the ensuing year are: James Gibson, president; Col. F. J. Dibble, vice president; Jas. W. Gallagher, second vice president; Henry Dawitt, secretary; treasurer; Roy C. Tait, assistant secretary.

The question of ice racing was discussed and this form of sport will be a feature of the club's activities this winter. It is expected that many of the fast ones will come here and suitable purses will be offered.

**KINGSTON MILITIA PLAN CARNIVAL OF SPORTS**  
Kingston, Nov. 18.—It is the intention of Major-General Williams, G. O. C. M. D. S., to promote during the winter an immense carnival of sports and indoor gymnastics when all the athletes and sporting elements of the district will be brought together in a series of contests.

Speaker will remain in town until Thursday and then make his departure for Texas, where he will endeavor to get thawed out in the next few weeks prior to the annual meeting of the American league, which will probably be held in Cleveland.

**FINE ADDRESS AT ST. DAVID'S CHURCH**

Rev. J. A. MacKegan on behalf of the congregation thanked the Centenary choir for their assistance in the music and announced that tonight's service would be preparatory to the Communion Service on Sunday.

Rev. J. A. Clark, D. D., preached on the subject "Christ's Message to the Common People," taking for his text Matt. 5: 13 and 14, showing how these words "Ye are the salt of the earth," and "Ye are the light of the world," had been addressed to a vast multitude. Dr. Clark proceeded to take salt as an illustration of individuality and pointed out that it is our duty to be ourselves, Christ had faith in the common people. Dr. Clark spoke on light and dwelt on the fact that all could let their light shine and live up to the best that was in them.

**MEETING FOR WOMEN.**

There was a large attendance at the special meeting for women in the Carleton City Hall last night, when Evangelist Rees took up the present sins of womanhood and pointed out their danger and the only way in which they can be forgiven and cured. The lecture was somewhat along the lines of the special men's meeting held last Sunday, but instead of the sin of profanity, which the evangelist thought a man's weakness alone, he took up the subject of gossiping, to gether with immorality, card playing, dancing and indifference.
