DR. J. COLLIS BROWNE'S -CHLORODYNE.

—Dr. J. COLLIS BROWNE (late Army)

Medical Staff) DISCOVERED a REMED Y, to denote which he coined the word CHLO-RODYNE. Dr. Browne is the SOLE IN-VENTOR, and as the composition of Chlorodyne cannot possibly be discovered by Analysis (organic substances defying elimination) and since his formula has never been published, it is evident that any statement to the effect that a compound is identical with Dr. Browne's Chlorodyne must be false.

This caution is necessary, as many persons deceive purchasers by false representations.
