

The Paily Tribune. J. L. STEWART,...... EDITOR.

without revealing their possession of the Allan correspondence, prevented, by refusing to accept power from Gov-ernment to swear witnesses, the investi-gation ordered by Parliament, then pub-lished their testimony and attempted to forcibly prevent the previously-arranged prorogation of Parliament. Their course throughout has been dishonest. They have acted like special pleaders workhave acted like special pleaders work-ing for a fraudulent verdict, and not like graph—one that will interest those who ing for a fraudulent verdict, and not like men who believed their own assertions. They have constantly tried to injure the Government in all underhanded ways, and have sneaked out of every chance that has been given them to prove their scandalous assertions. By stealing and publishing private letters, by sending private circulars throughout the country, by underhanded attempts to influence the Governor General, by manufactur-ing telegraphic reports about the suicide of the Dramier analysis in the Cabinet of the Premier, quarrels in the Cabinet, and the intentions of His Excellency,

and by sending cooked statements to England for the purpose of misleading the home press into condemnation of nent, they have sought to uin the Ministers. The sneak policy that has demanded

prevent investigation has not changed in the least, as will be seen by Mr. Mac-kenzie's double-headed amendment to

accordance with the demand of certain the harbor. newspapers and a minority of the House Joseph Owens was killed at Dartmouth, in a manly way and claim that the Gov-ernment has been found guilty of any crime, he does not boldly denounce the work of the Commission as only parti-ally done and demand a Committee to ally done and demand a Committee to armor was their having unconstitution-armor was their having unconstitution-the commission as only parti-the the weak point in the Government o'Clock. The semi-annual examination of Mr. Crawford's pupils will be held in his do it over again, but he sneakingly asks that the Government be censured on ac-without permission of Parhament. count of having carried out the agree-ment for prorogation and in conse-guence of evidence given before the our legal journal), doesn't see anything uncessioners. Out upon so mean, neaking, underhanded, insinuating and Mr. Mackenzie see any weakness in it, sneaking, underhanded, insinuating and Mr. Mackenzie see any weakless in an mental and slate, grammar, geography, and history. The teacher will give an ob-straightforward, honest, purity-preach-blindness! What insulting indifference! increates man we have read about that shall our merchaptestates men at Ottaing statesman we have read about that does this thing, after boasting that he only wants half an hour to prove the Government guilty of crimes enough to papers, expound constitutional law for naught? Are these gentlement tobe memend them to the Penitentiary, or has an enemy falsified his atterance? No words are strong enough to express the scorn Mackenzie's motion deserves, taken in Government, away with the Grits, and Government, away with the Grits, and connection with his sounding boasts of ability to prove the Government guilty of the crimes charged against them. It is a virtual surrender of the charges—a Some of the lights of the Opposition is a virtual surrender of the charges is a virtual surrender of the lights of the lights of the lights of the lights of the opposition, and newspapers here that ought to be an oderately well informed on public mathematics is an oderately well informed on public mathematics is a regular, not a special, session of Partiament is a virtual surrender of the virtual surrender of th than usual. A session of Parliament Lord Dufferin's Vindication. Y. We have fully and clearly exposed the illogical clap-trap with which Lord dollars, and our economical Government he illogical clap-trap with which Lord Dufferin has been assailed on account of propose to have only one a year. he prorogation, but we cannot forbear It has been deemed advisable to post tiving a few extracts from his own account of the matter in a despatch to the Home Government. Those professed Liberals who advocated the high Tory Liberals who advocated the high Tory doctrine, long since abandoned by all parties in Great Britain and the colonies that enjoy Responsible Government, that the Governor General should de-cline the advice of his constitutional ad-visers on account of newspaper charges against them, and accept the advice of a minority of the House of Commons, should long since have grown ashamed of themselves. If they are not, as the

opponents in the press.
