KENWOOD

Sound Plus offers better sound at lower prices than anyone else in Edmonton.

Consider the system pictured.

It consists of the new Kenwood KA3500 integrated amp (40 watts RMS/channel), the incredible large Advent speakers, and the Kenwood belt drive KD1033 turntable.

AT \$599, there's nothing else even close.

Come in and listen - you'll hear what we mean. Bring this ad and we'll give you a free DISCWASHER with any system purchase.

We have complete stereo systems using ADVENT speakers starting at \$299 - they all offer unbeatable sound for the price
