- ✓ For a VOICE
- ✓ For your FUTURE
- ✓ For ACTION

A VOICE

"People feel decisions are made for them, about them, and sometimes in spite of them, but never with them. I want to be part of changing that."

Andy Scott - Liberal Nominating Convention

Andy Scott would work for you in a Liberal Government to:

- Take your views to Ottawa, not sell Ottawa's views to you
- Limit the power of lobbyists
- Allow more free votes in the House of Commons

FUTURE

Andy Scott understands there are people who are discouraged about their future. That is why he will work with Jean Chrétien to restore hope and safeguard our future by:

- Implementing the Canadian Youth Service Corps
- Investing in Canadian Small Businesses, to provide Canadians with jobs
- Reducing the deficit from 5.2% of the G.D.P.* to 3% of the G.D.P. within the first 3 years of a Liberal mandate

*G.D.P.: Gross Domestic Product

ACTION

Andy Scott and a Liberal Government will get to work as soon as they arrive in Ottawa by:

- Investing in a \$6 billion dollar infrastructure program to provide Canadians with jobs now
- Cutting the \$5.8 billion dollar helicopter program
- Seeking to renegotiate the Free Trade Agreement so that Canadians get a fair deal
