Ottawa, Aug. 15, 1910.

Dear Judge Duff:

I have been intending to write and thank you for your kind letter with reference to the Grand Trunk strike, and would have done so before this had it not been that I have been much pressed since and have been absent from the city. I also hoped that I might see you personally.

I am leaving tomorrow for a month's absence in Europe, and this is my apology for sending you a dictated letter by way of acknowledgment of your kindness. I hope you will pardon my not writing you myself and accept at the same time my very sincere thanks for the more than generous words of your letter.

With kind regards,
Believe me,

Yours very sincerely,

Hon. Mr. Justice Duff,
Supreme Court of Canada,
Ottawa.
