

your plans, in this
respect be attended,
it would afford my
Wife & myself great
pleasure, to have you
& Lady Tupper, stop
over with us for a
few days, either going
or returning, it seems
a long time since we
have met.

How much I would
like to have a long
talk with you on
Dominion questions
and National matters,
as well,

I am greatly ^{interested}
about this Manitoba
School question,
many of our people
evidently don't
understand it, many
seem to look upon the
matter, as if it was
now a question of the
establishment of separate
schools, instead of a
Constitutional one,
we must stand by our
Constitution, and
maintain the rights
secured to the Province.
