O t t a w a.

Dear Mr.Meighen,

I am fully aware that you are  
a very busy man, but the day before yesterday I  
only wished to speak to you for a few minutes.

You seem to forget the men  
who stood by you and the party through thick and  
thin.....the friends of the past!

I shall not bother you again!

Yours truly,

J.P. Chabot
