Mr. W. C. Perry,
1006 Lorne Ave.,
Saskatoon, Sask.

Dear Mr. Perry:

I have your letter of 8th. Would certainly be glad to be of some use to you now as I have not forgotten past favours, if in any specific matter you feel like referring to me.

On the general matter of selling securities in Saskatchewan, we are doing nothing now at all. I have felt it my business to devote my time to trying to increase the value of the securities already sold, and I think this will be my job in life for some time to come.

Sorry not to be able to be of more immediate assistance.

With kindest personal regards,

Yours very truly,

AM/E.

President.
