

1 boy 2 girls - said she
was found under this name
at Repulse - about 6 years
ago - Look up paymaster's
pay account, & transfer
her to Osmatung -

Thursday July 13. 21

Last morning - heavy storm
last night - heard a noise
of a canoe - settled in
as follows - as follows.

In the Province of the beginning
at the Western Entrance of the
Allanby Pass remaining
westward a distance of about
as four miles as far as the
Point known as Long Point
at the Eastern Entrance of the
Bedlam Pass Bay following

The shore of this point in the
and would be across the
main entrance of the bay to
a point on the East shore
of the outlet of Tanukmijee -
name - see page. There are
smaller the total to comprise
an area of twenty square
miles -

In the north beginning at
a point in the north of
the west of the first shore
bay west of the point of the
there was a further area of
ten miles and with
Siphon, the area began
a total area of fifty three square
miles including the
further area of miles
