

The Clark Case (continued)

On the night of Jan 15/49. We left the billets at approx 1745 hrs accompanied by Pte Little. On arrival at the post we had some drinks & remainder frothing from heat, until Pte Paulston was getting me off the bed. I was vague then. Next AM I got the particulars from Pte Paulston.

~~I was to report on 16/49~~

I do not remember anything after leaving the post, until Pte Paulston awoke me.
