 I have been engaged in the business over twenty years and keep a large and
well selected stock of Seasoned Lumber always on hand. The Carriages manufactur-
ed by me are made in the Latest Styles and from the best of material. I keep con-
stantly employed a full staff of first-class workmen, and turn out work equal to any
manufactured in the Province.

Parties wishing anything in the Carriage line will find it to their advantage to
call and examine my stock.
