LIFE:

"Loss," said Tennyson, "is common to the race," but a man can, by judicious foresight remove the financial responsibility connected therewith, from himself, to a reliable Life Insurance Company such as the North American Life by insuring his life therein.

The unexcelled financial position of the North American, combined with its attractive plans, make it a desirable Company in which to insure. Pamphlets respecting plans furnished on application to the Head Office, or to any of the Company's agents.

L. Goldman, Secretary.
