Protect Your Crops

DO YOU REALIZE that your crops are in the greatest danger of being destroyed by Lightning? A flash—one bolt of lightning—and a season's crop, representing so many hard days' work, and a great portion of the profits of the farm, would be totally wiped out—and with it your barn, wagons, tools, and live stock! Think what a disaster it really means! There is only ONE WAY to prevent lightning from doing this great damage:

"Universal Lightning Rods"

Gives Surest Protection from Lightning.

They are made along scientific lines, of the best material procurable, by competent workmen

What! Those Shears FREE

SHEARS that are always sharp; always ready to cut anything and everything. The best for every purpose in the household.

Yes, That's It, But We Know You Can Hardly Realize It

IT is hard to believe that we can give away a pair of Patent Nickel Tension Shears, absolutely Free.

ON account of our securing a large number of these we are able to offer them Free for the strikingly small number of ONE new subscription to our paper.

Boys and Girls

Call on your neighbors or friends, ring them up on the telephone. You will only have to ask them to get their subscription. It is the simplest thing possible.

Don't Let This Opportunity Go

WE have just a limited supply of these shears, and they are of the very best quality, and cannot be beaten for usefulness.

JUST get that new subscription today, send in his name and one dollar. We will send the shears.

WRITE us for that Fountain Pen offer. It is a good one.

Fairbanks-Morse Farm Engines

are guaranteed to be made of the best material, carefully assembled, to be in perfect running order when they leave our works, and to have been carefully tested, with full rated power developed.

A Fairbanks-Morse was the first independent self-contained farm engine made. In the past 20 years more than 140,000 have been sold throughout the world, and today more than 90% of these are still giving thoroughly satisfactory service.

Made in any size, 1 to 200 h.p., vertical or horizontal, portable or stationary. Equipped with Bosch magnets.

Will run effectively on gasoline, kerosene or other cheap fuel.

Send for our booklet, "49 Uses for a Farm Engine." It is full of valuable information for the farmer and is free. Fill in the coupon and mail now.
