

SAWYER-MASSEY 11-22 GAS-OIL TRACTOR

THE SAWYER-MASSEY eighty year reputation for quality is behind this machine. The Sawyer-Massey intimate knowledge of the Canadian farmer's need is in it.

It has a vertical 4-cylinder valve-in-head motor, equipped with air cleaner, high tension magneto and one adjustment carbureter.

The radiator is of unusually large capacity. Water circulation is positive.

Power is delivered to *both* traction wheels and 75% of the tractor weight rests on the rear wheels.

Owners have found that these features have a direct bearing on the simple operation and long, reliable service given by the machine.

*Our Bulletin No. 321 describes this Tractor.
Bulletins describing our 17-34, 20-40 and
27-50 Tractors are also available.*
