

A SHORT SKETCH OF OTTAWA UNIVERSITY

The University of Ottawa was founded in 1845, sixty-two years ago. It is conducted by the Oblate Fathers of Mary Immaculate, and under their guidance it began with the infancy and developed with the growth of the city of Ottawa.

The power of granting degrees, recognized by the State as well as by the Church, gives the University of Ottawa a certain, very real advantage over the ordinary college. A degree usually admits to the study of a profession without preliminary examination, and the world over is considered as the stamp of the brain-mint, so to speak.

More than nine acres within the city limits are a very important and useful part of the material possessions of the University of Ottawa. Varsity Oval is justly considered as among the finest athletic grounds in Canada, if not the finest.

Ottawa College as it is known to the athletic world, has a great reputation for devotion to many out-door sports. The success of its football team, especially during the past quarter of a century, has attracted marked attention.

The University of Ottawa Athletic Association, under the direction of a representative of the Faculty, has control of all athletics in the institution. The teams which that organization has placed in the field have been conspicuously successful not only in football, but in baseball, hockey, bowling, basketball and track athletics.

In Inter-Collegiate contests of an academic character, as well as in the athletic field the students of the University have given a good account of themselves. They annually meet in debate representatives of the large universities of Ontario and Quebec, and since the formation of the Inter-Collegiate Debating League, five years ago, the University of Ottawa has twice won the silver cup emblematic of the championship.

Excellent working laboratories afford facilities for the study of Natural Science, Chemistry and Mineralogy. Each student is provided with a work-table, makes his own experiments and has every appliance necessary to acquire by personal research, a practical knowledge of these practical sciences.

Amongst Canadian University Museums that of Ottawa is finished and furnished in an elaborate and tasteful manner that makes it peerless. What ever one may have heard of it on entering it for the first time one can scarcely realize that all the wood he sees before him in doors, walls, decorations and show cases.

Extra-Mural students are allowed to enter upon the work of the Arts Course, and to present themselves for examination to the Senate as students in the University. Before being registered, candidates for a degree must pass the Matriculation, or an examination accepted by the Senate as equivalent.

The University of Ottawa has to recommend it, the fact of giving as good an education as any institution Catholic or non-Catholic in Canada. Obedience to his Church requires every Catholic to send his son only to a College in which all about him reminds him that he is a being who has an interest in Eternity as well as in time.

The church was again crowded in the evening at 7 o'clock when Vespers were sung followed by benediction of the Blessed Sacrament. Being such a special occasion, ladies were admitted to the choir and the music was of a high order.

At the conclusion of the address Charles Curran, Chairman of the committee, handed the Monsigneur a purse containing \$350 in gold. In a very feeling reply, Monsigneur Daly thanked the congregation for the kind wishes and words of the address and for the generous gift. He said he regarded the affair last evening as a family one of St. Joseph's parish and hence it was that there were not present clergymen and citizens from other parishes.

At the conclusion of the address Charles Curran, Chairman of the committee, handed the Monsigneur a purse containing \$350 in gold. In a very feeling reply, Monsigneur Daly thanked the congregation for the kind wishes and words of the address and for the generous gift. He said he regarded the affair last evening as a family one of St. Joseph's parish and hence it was that there were not present clergymen and citizens from other parishes.

RESIDENCE AND EXTRA-MURAL COURSE. Students whose homes are not in Ottawa are required to live in the University Buildings. Private rooms are provided. Reports are sent monthly to parents, showing the conduct, application and standing of their sons and giving information about matters of special interest.

Residence in College, after the model of the great public schools and universities in England, is known to educationalists to have wonderful advantages. The spirit of discipline which prevails in a well-educated residential college, quickens the attention of the youth and young men. Habitual compliance with the rules strengthens will and invigorates his energy, gives him decision of character, makes him prompt in responding to the call of duty, impels him by force of habit to sacrifice personal comfort to his legitimate obligations.

Like other seats of learning in Canada the University of Ottawa offers the advantage of the Extra-Mural course to those who desire to take a college course, but who are unable to do so in the usual manner.

Extra-Mural students are allowed to enter upon the work of the Arts Course, and to present themselves for examination to the Senate as students in the University. Before being registered, candidates for a degree must pass the Matriculation, or an examination accepted by the Senate as equivalent.

Sunlight Soap is nothing but pure soap—no adulterants, no injurious chemicals to hurry the dirt out or to bleach the clothes; just pure fats and vegetable oils properly compounded with pure soda.

We will give \$5,000 to anyone who can find adulterants in Sunlight Soap. Use Sunlight Soap according to directions—try it just once—and convince yourself that it will do twice as much as other soaps.

MGR. DALY HONORED. Halifax Daily Echo, July 10. Last evening the parishioners of St. Joseph's church added their congratulations to the many that have been extended to Right Rev. Monsigneur Daly, V. G., on the occasion of his golden jubilee and it is needless to say, the parishioners were present in large force at the evening service as well as the morning services at the church.

The High Mass at the church at 11 o'clock a. m. was celebrated by Monsigneur Daly assisted by Father Driscoll, and His Grace the Archbishop of Halifax was present in the sanctuary as were also Dr. Foley, Father Fitzgerald, of Trenton, N. Right Reverend and Dear Beloved Monsigneur—He assured that it is not in the spirit of mere congratulatory conventional forms that we, the parishioners of St. Joseph's church to-day, but in order to avail ourselves of the opportunity which this happy occasion affords of rendering you our most heartfelt congratulations, and of testifying our profound gratitude for the blessing which God in His goodness has been pleased to bestow upon you and upon us all in giving you to see this fiftieth anniversary of your ordination to the priesthood.
