The Success THE OXFORD PRESS

of anything depends upon the publicity it receives

Therefore, when a Sunday school entertainment is to be held, or special church services are to be conducted, it is important that as many persons as possible be made acquainted with the fact. There is no better way of accomplishing this than by attractive poster and newspaper advertising. We print posters that people stop to read, and compose advertisements for newspapers equally attractive.

IT HAS BEEN SAID

That even the most inferior Pianos sound well when new, but competent critics would promptly dispute this proposition. A piano, to sound well when new, or at any other time, must be well made, of good material, and on correct principles. If not, the tone must be bad. Then comes the question, "Do they last?" Most certainly not; they keep on from bad to worse." Moral: Buy a Piano that has a perfect tone first, last and all the time. Buy a MATCHLESS KARN, and run no risk for the present or the future.
