old. Towns seem to grow in this northwestern country as readily as wheat. A long line of automobiles was waiting at the depot, but their owners, who escorted us around, hardly needed to tell us their stories. We knew. Their machines were of a more expensive kind than they had in Saskatoon, and they went to Europe every year instead of California. But Edmonton is ten years old, and Saskatoon only five. So, naturally.

CARBERRY CLYDESDALE IMPORTATION

On the last Saturday of September, Mr. Robert Graham, Kaimflat, Kelso, shipped to his brother, Mr. John Graham, Carberry, Manitoba, per the Donaldson Line, from Glasgow, eleven Clydesdale stallions and two mares, all purchased from Mr. Matthew Marshall, Stranraer. Amongst this lot of stallions and mares are quite an unusual number of well-bred animals. The oldest amongst them was the seven-year-old Baron's Pride horse Silver Plate (11936), bred at Rosehaugh. This horse's dam was the noted prize mare Fuchsia (12775), a gr.-daughter of the well-known Barlae Doll (344). She herself was by Mr. Peter Crawford's noted prize horse Williamwood (8391). Amongst the five three-year-old horses was a son of the unbeaten champion Everlasting (11331), bred at Uppermill by Mr. John Marr, and descended from the Highland and Agricultural Society first prize mare Nazli (3221), through her daughter, the Darnley prize mare Zehnet. Two were got by the Cawdor Cup champion horse Marcellus (11110). One of them is out of a mare by the popular premium horse Up to Time (10475), and the other is out of a half sister to the Cawdor Cup champion horse Hiawatha. Two of the same age are by that good breeding horse Sir Everest (10917), a son of the great Sir Everard, and one of the best breeding horses in Cumberland. The other two of this age are respectively by the Harviestoun stud Royal Edward (11495), the sire of many first prize animals, and the Highland and Agricultural Society champion horse Prince Thomas (10262). Amongst a good lot of two-year-olds there is one by Sir Everest, already referred to, out of a mare by the noted big horse Prince Frederick (8905), and descended from a celebrated race of mares in Cumberland. There is a big, strong-boned two-year-old, by Mercutio (11431), one of the most popular premium horses got by Hiawatha. The dam of this colt is by the big Prince of Wales horse William the Conqueror (9093), and his gr.-dam is by another Prince of Wales horse, Prince Edward (1254), own brother to the celebrated What Care I. The other two-year-olds are respectively by the Cawdor Cup champion Marcellus (11110) and Hiawatha Godolphin (12602). They are particularly well-bred horses, being strong in Prince of Wales blood on the dams' sides, and the gr.-dam of one of them is the noted Darnley prize mare Marie Stuart (8326), which gained many prizes, including second at the Highland and Agricultural Society's Show in 1887. The four-year-old mare is by the Glasgow champion horse Gold Mine (9540), out of a mare by the Sir Everard horse Sir Archie (10134); and the two-year-old mare is an exceptionally well bred animal, descended from the famous Macgregor mare Princess Alice (6626), which contested premier honors with the celebrated Edith Plantagenet twenty-four years ago. These are an exceptionally well bred lot of Clydesdales, for which a ready sale should easily be found in Manitoba and the West.—*Scottish Farmer.*

OWES CURE TO ZAM-BUK

Prominent Manager's Telling Testimony.

Mr. D. R. Gourlay, advertising manager for the well-known piano firm of Gourlay, Winter & Leeming, Toronto and Winnipeg, is amongst the prominent men and women who testify to Zam-Buk's great curative power. He writes to the Company as follows: "Gentlemen,—I have pleasure in stating that upon the recommendation of a relative I purchased a box of your remedy (Zam-Buk), and by a few applications entirely cured a very severe sprain of the back. While not given to indiscriminate use of, or belief in, patent medicines, I can conscientiously recommend Zam-Buk.

"Sincerely yours,

"(Signed) D. R. Gourlay."

That is just where Zam-Buk proves its superiority! It is treated by men and women who have tried it, as altogether different to ordinary preparations. Doctors, hospital nurses, trainers, matrons of convalescent homes—all give Zam-Buk a good word; and better still they use it. Zam-Buk is as good for muscular stiffness, sprains, rheumatism and sciatica as it is for skin troubles. Hockey players and athletes in general find it invaluable. For eruptions, pustules, scalp sores, itch, eczema, ulcers, boils, abscesses, blood poison, cuts, burns, bruises, and abrasions, it is a speedy cure. Takes the soreness out of wounds almost instantly, and kills all disease germs, thus preventing festering and inflammation. All druggists and stores sell at 50c. a box, or post free from the Zam-Buk Co., Toronto for price. 6 boxes for \$2.50. Send 1c. stamp for trial box.

12 TUMORS REMOVED WITHOUT AN OPERATION

Silver Lake, Ont., Sept. 20, 1906.
Dear Mrs. Currah—I am enjoying better health than I have for eight years, and I think I am entirely cured. I have none of the old symptoms. I am very grateful for my present health, and think Orange Lily is the greatest

treatment for women the world knows. Its use in my case caused 12 tumors or growths of some sort to be expelled. Some were as large as a hen's egg, and others smaller, down to the size of a walnut. You may use my case in your advertisement, for it is the solid truth, and pen cannot describe all the good it has done for me.—Mrs. Louise E. Bolteridge.

This letter gives an indication of the positive benefits that always follow the use of Orange Lily. It is an applied treatment and comes in direct contact with the suffering organs. It produces results from the start in all cases of women's disorders, including painful periods, falling, leucorrhoea, etc.

I will send a sample box containing 10 days' treatment absolutely free to any suffering woman who has not yet tried it if she will send me her address. Address, with stamp—

MRS. F. V. CURRAH, Windsor, Ont.
