PUREST & BEST

"Dairying for Profit" or "The Poor Man's Cow"

Is the title of a treatise on Buttermaking written by Mrs. E. M. Jones of Brockville, Ont. Mrs. Jones' Book has been so highly thought of by the Ontario Government that it has been printed and distributed free among farmers as an authority on this subject. The following letter explains itself.

Some time ago I commenced using the Windsor Salt in my dairy and I have been surprised and delighted at the result. It appears to me to be a PURE SALT than any I have ever used (although I have always obtained the very best, regardless of cost). It is entirely FREE FROM ANY BITTER TASTE and it DISSOLVES SO RAPIDLY as to be at once incorporated in the butter. To the practical dairyman these are vital points. MORE BUTTER IS SPOILED BY POOR SALT THAN IN ALL OTHER WAYS PUT TOGETHER. Not only is the taste disagreeable but the grain of such salt is so sharp and its nature so insoluble that butter has to be worked almost to a paste and is thereby spoiled before it is even put on the market. WINDSOR SALT IS FREE FROM THESE OBJECTIONS and its quality and price ought to make it a boon to every dairy in Canada. I shall use no other in future, and as the output of my private dairy is 7000 lbs. a year, which all brings the highest price ever reached by Canadian butter, the importance of my choice in salt can hardly be over-estimated.

Yours truly,
(Signed) ELIZA M. JONES

Any wholesale grocer can supply you, in any quantity, with this "WINDSOR" Dairy Salt in 20lb. White Cotton Bags, packed 15 in a paper lined barrel, or in 50lb. Linen Sacks.
