BURGLARS!

Some of our stores seem to be a prey to the burgling fraternity. If such storekeepers would follow the example of the Johnston store and sell at right prices, then no one would be tempted to burglarize and there would be an end of alarming reports.

When our prices are known, even the meanest burglar would be ashamed to try and get goods for less than we offer them at. When people are victimized in the day time it is no wonder some to get even during the night. We do not mark some goods away down below cost and tuck it on to others. Everything is marked down to the lowest notch.

JAMES JOHNSTON

Big Profits — ON — Small Investments

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful Speculation in Grain, Provisions and Stock.

\$10.00 FOR EACH DOLLAR INVESTED can be made by our Sytematic Plan of Speculation.

originated by us. All successful speculators operate on a regular system.

It is a well known fact that there are thousands of men in all parts of the United States, who by a systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 to \$100,000 or more by those who invest a few thousand.

It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading.

Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time.

WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money making pointers. ALL FREE. Our Manual explains margin trading fully. Highest references in regard to our trading and success.
