HOLD UP AT DOUGLAS CITY

Juneau, Oct. 28 .- Two men, one tall the other short, masked and heavily armed, held up the Douglas Opera House yesterday morning as the gambling games were closing. The safe was open and Sam Gins, the proprietor, was putting the money away. The big man stood the crowd of fifteen off while the little man told Gius to deliver. The last named waited his opportunity, caught the robber off his guard and ran with nearly all the money, making good his escape. The robbers got one hundred and seventy-five dollars No shots were fired and no one hurt. A big man named Barney Hughes, thought to be one of the robbers, is under arrest and a little man name not known has just been taken into custody. The evidence against neither is conclusive and the officers are working on the case. The Humbolt and Amur are in with no passengers. Yukon travel is over for the present.
