Healthy Girlhood is the only  
path to healthy womanhood.  
The passing from girlhood to  
womanhood lays a new tax up-  
on the blood. It is the overtax-  
ing of the blood that makes  
growing girls suffer from head-  
aches and backaches, from pale-  
ness and weakness and wear-  
iness, from languor, despond-  
ency and constant ill health.  
Unhealthy girlhood is bound to  
lead to unhealthy womanhood  
and a life of misery. Nothing  
but the blood building qualities  
of Dr. Williams Pink Pills can  
save a girl when she undertak-  
es the trials and tasks of wom-  
anhood. That is the time when  
nature makes new demands up-  
on the blood supply. Dr. Wil-  
liams Pink Pills actually make  
new rich blood to meet these  
demands. In this simple, scien-  
tific way Dr. Williams Pink  
Pills give growing girls new  
health, and makes their dawn-  
ing womanhood bright and at-  
tractive. Miss A. Sternberg,  
Hallbury Road, New Liskeard,  
Ont., says: "I have much reason  
to be grateful to Dr. Williams  
Pink Pills as they restored me  
to health, if, indeed, they did  
not save my life. In 1914 I be-  
gan to feel run down, and the  
doctor who was called in said  
that mine was a bad case of an-  
aemia. I lost flesh, always felt  
tired, and I got so nervous that  
I could scarcely hold a cup to  
take a drink. My heart would  
flutter alarmingly. The doctor  
did not seem to be able to help  
me at all and my family and  
friends all thought that I was in  
a decline and could not recover  
I was in bed for some weeks  
when an aunt came to see me  
and urged that I try Dr. Wil-  
liams' Pink Pills. My father got  
a supply, and by the time I had  
taken three boxes there was a  
noticeable improvement, and  
from that on I steadily pro-  
gressed toward recovery. I con-  
tinued using the pills for some  
time longer and they restored  
me to my old time health and  
strength. I shall never cease to  
praise this medicine, and to  
urge all weak run down girls to  
give it a fair trial, as I have  
proved in my own case their  
great merit."

You can get these pills from  
any dealer in medicine, or by  
mail at 50 cents a box or six  
boxes for \$2.50 from The Dr.  
Williams Medicine Co., Brock-  
ville, Ont.

CENTREVILLE ITEMS

Mrs. Walter Gibson of Hall-  
fax, and little son Leon, are vis-  
iting relatives in Centreville.

Mr. A. Burgess of Canning,  
has purchased the property,  
formerly owned by Mrs. Joshua  
Chase, also the estate of the late  
Amos Butler. Mr. Burgess be-  
lieves in home industry, and has  
that optimistic spirit which  
should be cultivated by more of  
our Nova Scotians.

The farmers throughout this  
district report a good yield of  
hay, but the vegetables, on ac-  
count of scarcity of rain, are not  
up to the standard.

Several men from the No. 2,  
Colored Construction Battalion,  
now in mobilization at Pictou,  
are qualifying at Aldershot, for  
officers. These men speak in the  
highest terms of the treatment  
they receive at this place.

Mr. Leander Clements and  
family have moved into the  
house of Mr. A. Burgess.

Mr. Edward Parris of East  
Everett, Mass. Post Office De-  
partment, passed through Kent-  
ville on Friday's Bluenose, en-  
route to his home at Truro,  
having been summoned to his  
father, Mr. Parris who met with  
a serious accident.

Mrs. Philips of Halifax is a  
guest of Mr. and Mrs. O. Will-  
iams.

We appreciate very much the  
services of Rev. Mr. Prosser of  
Canard who so kindly assists  
whenever convenient. A large  
attendance at the services en-  
courages very much the pastor  
of every church.

S. G. Parris of Windsor spent  
Monday and Tuesday of last  
week at Centreville.

We understand that Miss P.  
Gibson, who taught last term at  
Lucasville, Halifax Co., in-  
tends to teach at Weymouth  
Fall.

The Atlantic Advocate, a  
monthly paper published at  
Halifax by Editor Cross, for-  
merly of the United States but  
now of Halifax, is devoted chief-  
ly to the interest of the colored  
people in the Maritime Prov-  
inces. As this is the first paper  
in Nova Scotia ever edited by  
the colored people, let every  
representative of the race en-  
courage its growth by becoming  
a subscriber.

OBITUARY

Mrs. A. W. Faulkner

Halifax, August 28—The many  
friends of Dr. A. W. Faulkner,  
of 69 Gottingen Street, will sym-  
pathize with him in the death of  
his wife which occurred at his  
residence, 307 Creighton street  
on Saturday afternoon last. Dr.  
Faulkner was married only a  
year and a half ago and his wife  
was Maude daughter of the late  
Mr. and Mrs. Samuel Creighton,  
of Berwick. The funeral will  
take place at Berwick this  
morning on the arrival of the  
Halifax train Mrs. Saunders of  
Halifax, Mrs. Robinson of Sas-  
katoon and Roy Creighton of  
Berwick are sisters and brother  
respectively of the deceased.

NEW SUPER-ZEPPELS  
OF TREMENDOUS SIZE

Will Carry Load of Bombs of  
Five Tons at 80 Miles an  
Hour

London, Aug. 28—In a speech  
delivered at Bury St. Edmunds  
last night, Baron Montagu of  
Beaulieu, former Vice-Chair-  
man of the Joint Naval and  
Military Board, told of new  
monster super-Zeppelins which  
Germany is building.

"We have obtained some de-  
tails of the super-Zeppelins  
which Germany is now build-  
ing," said Baron Montagu. "The  
principal features of the craft  
are a capacity of two million  
cubic feet, a length of 780 feet,  
a beam of eighty feet, a maxi-  
mum speed of thirty-five miles

THE REASON WHY  
You Should Use  
REGAL FLOUR  
is that no other  
brand gives you so  
much in quality,  
as Regal.  
Superior flour means superior bread—success in  
your baking and palatable, nutritious bread, excel-  
ling in everything that makes bread  
worth eating.  
So certain are we that Regal Flour  
will please you, that if you will buy  
a barrel and give it a fair trial, we  
will return your money if you find it  
unsatisfactory.

an hour and a radius of action  
of 3,000 miles. The engines, six  
or seven of them have a total of  
15,000 horse-power.

"The airships can carry a  
load of bombs of five tons. They  
are able to ascend 17,000 feet.  
They are armed with machine  
guns at bow and stern and on  
top of the envelope. They carry  
a crew of thirty-five men.

"These particulars show how  
largely the Germans are relying  
on Zeppelins as a means for  
harassing us. Two of these new  
craft have already been com-  
pleted and four will be available  
in October.

Canadian Troops Arrive Safely.

Ottawa, August 27—It was of-  
ficially announced, through the  
Chief Censor's Office that the  
following troops arrived safely  
in England:

- The 117th Battalion, Valcar-  
tier Camp.
- The 120th Battalion, Windsor  
N.S.
- The 121st Battalion, Vernon,  
B. C.
- The 126th Battalion, Camp  
Borden.
- The 128th Battalion, Winni-  
peg.

RUSSIA IS READY  
TO INVADE BULGARIA

London, Aug. 28—Today's  
communiques record attacks by  
the Russians in many sectors on  
Bessarabia as a war prize, with  
the East front. The only success-  
ful operation was conducted  
north of the Dniester, where  
General Letchitsky's troops  
captured the wood east of Len-  
newaden, on the Dvina front,  
near Svinitsky and Tustobaby,  
in Volhynia, and in the Car-  
pathian region were repulsed.  
The Germans attacked in force  
along the River Shara, near  
Baranovich, but were thrown  
back with heavy losses.

With the entrance of Roun-  
mania into the war the reason  
for the sudden halt in the Rus-  
sian offensive on the East front  
becomes apparent. For two  
weeks—ever since it became  
certain that intervention by  
Bucharest was only a matter of  
time—the Russians have been  
stripping their East front lines  
of troops to mass on the Rou-  
manian border preparatory to an  
invasion of Bulgaria as soon as  
Bucharest should declare her-  
self.
