Amsterdam, March 10—There will be a conference of the sovereigns of the Central Powers and their allies, Turkey and Bulgaria, immediately after Easter, according to the Hungarian newspapers. The meeting will take place at Sofia or at

Constantinople in consideration of the age of the Sultan of Turkey, it is said. Messrs Freeman and Rufus Morton have purchased from Harman Illsley part of the farm once owned by Leonard Newcombe at Lakeville.

DEATH OF MRS. GEORGE O. WOODBURY.

At Tremont, on Tuesday evening, Mar. 5th, 1918 after a serious illness of more than a year, Alice M. the beloved wife of Dea. George O. Woodbury, passed peacefully away in the forty fourth year of her age.

She was a lovable christian woman. Her husband, Dr. nurse, relatives, and friends did all they could to relieve and cheer her during her severe affliction.

She leaves to mourn their loss a sorrowing husband two young sons, Reginald and Edward, devoted mother, Mrs. W. E. Saunders and mother-in-law Mrs. Helen Woodbury. Also three brothers, Ralph of Tremont, John of the U. S. and Wylie, Somewhere in France.

She became a member of the Church during the pastorate of Rev. E. H. Howe of Greenwood, who officiated at the funeral assisted by her late pastor, Rev. Geo. Hudson of Annapolis Royal and Rev. R. T. Allen of Chester.

The services were held in the Church on March 7th. The large number present and the profusion of flowers betokened in a small way their sympathy for the families, and their sorrow for the loss of a dear friend.

The choir assisted by the Kingston quartette rendered appropriate music for the occasion.

Mr. David Costley has returned from Hants Co. where he has been purchasing fur.

Beneath this mantle of snow Mr. Costley has a fine bear attacked to an equally good trap. Where the trap is, there lies the bear, and vice versa. Mr. Costley has an idea of the locality where they are and hopes to rescue both soon.

Mr. Douglas Jarvis, who has been working at Hastings, has returned home.

Mr. Trueman Russell has had the misfortune to lose the end of one of his fingers. One of a coasting party, Trueman caught the finger beneath a rapidly descending sled, and hence the accident.

Miss Keddy of New Ross is the guest of her sister, Mrs. Joseph Lockhart, Forest Home.

SUBMARINE SHOWED NET LOSS IN DECEMBER.

Washington, March 7—More submarines were destroyed by the Allied and American naval forces in December than Germany was able to build during that month, according to information reaching Washington. This fact developed today in discussions of the statement made to parliament Tuesday by Sir Eric Geddes, first lord of the British admiralty, that the submarines were being checked.

Whether succeeding months have shown a net loss in German submarines is not known here. It is believed however that anti-submarine campaign has proved so effective that increased efforts this spring will see a steady decrease in the number of U-boats available to prey on Allied and American shipping.
