

My Hair is Extra Long

Feed your hair; nourish it; give it something to live on. Then it will stop falling, and will grow long and heavy. Ayer's Hair Vigor is the only genuine hair-food you can buy. It gives new life to the hair-bulbs. You save what hair you have, and get more, too. And it keeps the scalp clean and healthy.

CURED HER BOY OF PNEUMONIA

Newmarket Mother is loud in her Praises of the Great Consumption Preventative

"My son Laurence was taken down with Pneumonia," says Mrs. A. O. Fisher, of Newmarket, Ont. "Two doctors attended him. He lay for three months almost like a dead child. His lungs became so swollen, his heart was pressed over to the right side. Altogether I think we paid \$140 to the doctors, and all the time he was getting worse. Then we commenced the Dr. Slocum treatment. The effect was wonderful. We saw a difference in two days. Our boy was soon strong and well."

Here is a positive proof that Psychine will cure Pneumonia. But why wait till Pneumonia comes. It always starts with a cold. Cure the cold and the cold will never develop into Pneumonia, nor the Pneumonia into Consumption. The one sure way to clear out cold, root and branch, and to build up the body so that the cold won't come back is to use

Bachelors

"Bachelors can be found roaming at large in all parts of the world. They inhabit apartments, clubs, open fields, bodies of water and music halls. They are also seen behind the scenes. They hover at times near front gates, and have been found in back parlors with the aid of a searchlight.
"Bachelors are nomadic in their nature, never going with one girl long enough to be dangerous.
"Bachelors make love easily, but rarely keep it. Rich bachelors are hunted openly and shamelessly and are always in great danger. Those who finally escape are, as a rule, useless ever afterwards."—Tom Masson in the December Delineator.

TRY THIS FOR YOUR COUGH

To relieve a cough or break up a cold in twenty four hours, the following simple formula, the ingredients of which can be obtained at any good prescription druggist at small cost, is all that will be required: Virgin Oil of Pine (Pure), one-half ounce; Glycerine, two ounces; good Whisky, a half pint. Shake well and take in teaspoonful doses every four hours. The desired results can not be obtained unless the ingredients are pure. It is therefore better to purchase the ingredients separately and prepare the mixture yourself. Virgin Oil of Pine (Pure) should be purchased in the original half-ounce vials, which druggists buy for dispensing. Each vial is securely sealed in a round wooden case which protects the Oil from exposure to light. Around the wooden case is an engraved wrapper with the name—"Virgin Oil of Pine (Pure)"—plainly printed thereon. There are many imitations and cheap productions of Pine, but these only create nausea, and never effect the desired results.

Hard Colds

People whose blood is pure are not nearly so likely to take hard colds as are others.
Physiology goes into the reason. Hood's Sarsaparilla makes the blood pure, causing healthy action of the mucous membrane and giving strength and tone to all the organs and functions.
This great medicine recovers the system after a cold, as no other does.

An excellent remedy for Rheumatism, Lame Back, Etc., Etc.
Read the following testimonial from a man you all know:
Mr. W. A. Singleton, Forfar, Feb. 6, 1906

Dear Sir—Being laid up with lame back, I thought I would drop you a line to tell you that your St. Regis Lumbago cure will do all you claim for it, as I have only used part of the bottle and I feel no returning symptoms of the disease.
I may say I have been troubled with lame back for the last ten years, and tried several other patent medicines but without results. I can heartily recommend it to any troubled with lame back, and I feel safe in saying that it's the cheapest medicine on the market.
Yours truly,
JAMES McCUE
