BE READY FOR THE ELECTIONS

Mr. Clancy's Counsel to the Good People of Kent County Constituencies.

Date of Polling Still Spectulative but Advisable to be Prepared—To Redeem Ridings.

James Clancy, M. P., Bothwell's talented and popular parliamentarian, is in the Maple City today on his return from his sessional duties at Ottawa.

In a brief interview with The Planet Mr. Clancy spoke most brightly of the prospects of the Liberal-Conservative party in the coming campaign. Many things have contributed to the present weakness of the Administration, not the least of which were the Fisher scandal, exposed by Lord Dundonald, and the notorious Jackson appointment. "Such things are steadily estranging the old guard of honest Liberalism," was Mr. Clancy's comment.

"What of election prospects?" he was asked. The member smiled. "I do not think the Government itself yet knows. The whole matter is veiled in uncertainty. My own counsel, however, would be to be ready. I am strongly convinced that the ultimate results will vindicate that course."

Mr. Clancy said he was much pleased to hear the gratifying reports of the campaign of Mr. Clements in West Kent. He was much encouraged to look for a handsome redemption of the constituency.

MILITIA TO EXPLAIN

Governor Terrell, of Georgia, Condemns the Recent Tragic Occurrences.

Atlanta, Ga., Aug. 23.—On his return from St. Louis to-day Governor Terrell held a conference with Assistant General Harrison regarding the recent Statesboro lynching. Later a court of inquiry was ordered to investigate the conduct of the militia from which the mob took the prisoners.

Governor Terrell, in a statement, expressed himself as "surprised and shocked over the Statesboro occurrence."

He said he had been informed that no outbreak was apprehended. The statement continues: "The wretches whose lives were taken deserved death, yet no man who took part in the homicides had the right to inflict it. The crime against these negroes is but of small importance compared with the great crime against the law."

"I regret exceedingly the militia did not preserve the peace. They represented, with the civil authorities, the majesty of the law, and when the authorities failed to enforce the law, it was a triumph of lawlessness over the law. I have ordered a court of inquiry to investigate the action and conduct of the militia on that occasion. I shall request the civil authorities, the court so outraged, to do its utmost to bring the offenders against its dignity and majesty of the law to speedy and swift justice."

OZAREVITON O-R-TENED

(Special to The Planet.)
St. Petersburg, August 24.—The christening of the heir to the Russian throne took place this morning at the church of the Peterhof palace with imposing ceremony. A procession of gilded coaches accompanied the infant prince from the Alexandra villa to the church.

After the metropolitan of St. Petersburg had administered the sacrament to the heir the emperor invested the latter with the insignia of the order of St. Andrew. Immediately thereafter the ringing of church bells and the firing of a salute of 101 guns announced the completion of the ceremony.

Both Peterhof and St. Petersburg are lavishly decorated. There will be illuminations to-night.
