'Cream of the West' Flour is sold under a guarantee. If not satisfactory we refund your money. R. E. HARRIS & SONS. Rev. R. F. Dixon received news by cable yesterday evening of the death of his brother, Mr. F. J. G. Dixon, of Burgh House, Cumberland, England. Andrew Carnegie says: A young man who neglects to insure his life, does himself and those dependent on him an injustice. Insure in the Excelsior. On Sunday next the pulpit of St. Andrew's church will be occupied by Rev. Dr. Burrows, of Bermuda, the pastor, Rev. Mr. Miller, preaching at Kentville on that day. Tennis Entertainment To-night. Rev. Henry Ward Beecher, D. D., says: Life Insurance tends to make a man economical, methodical and frugal in his expenditures—and gives quiet to his mind. Insure in the Excelsior Life. Rev. W. H. Rackham left on Tuesday morning on a vacation of two weeks. On Sunday next his pulpit will be occupied in the morning by Rev. Mr. England and in the evening by Rev. Dr. DeWolfe. Lord Selborne says: Life Insurance enables us to save in the most scientific manner, to acquire at once a position, which otherwise could only be secured by long years of studious saving. Ask for rates on Excelsior policies. The suit-case advertised in THE ACADIAN last week as lost on May 24th, was found by Mrs. Lewis Forsythe, of Greenwich, and returned to the owner, Mr. John H. Bentley, of Halifax. Advs. in THE ACADIAN usually produce results. Four cases of violations of the Fisheries Act were before Inspector Ward Fisher on Saturday morning. Court was held at the Royal Hotel. Two of the cases were for fishing for salmon with worm-bait, and two were for sweeping for salmon. The defendants all settled the cases. Tennis Entertainment To-night. Rev. R. S. MacArthur, D. D., says: Next to a good hope for eternity is the comfort which comes to a man from knowing that he has made provision by Life Insurance for his old age, and for his family in the event of death. Excelsior policies are up-to-date in every particular. The marriage of Mr. Albert B. Young, formerly of Wolfville, now of Winnipeg, and Miss Millie Adeline Pattinson, of Killarney, Manitoba, is to take place on Wednesday of next week at Killarney. Mr. Young's many Wolfville friends will join THE ACADIAN in congratulations and best wishes. The Wolfville cricket club has obtained permission to play on the campus every afternoon at 4 o'clock, except Wednesday. On that afternoon, and every evening beginning at 6 o'clock, the base ball players will have the use of the ground. A match with Windsor, it is hoped, will be arranged next month. One car of Sugar has arrived. Get our wash prices. R. E. HARRIS & SONS. On Monday evening the congregation of St. Andrew's church was visited by a committee of the Halifax Presbytery, composed of Rev. Mr. Crawford, of Windsor, and Rev. Mr. Layton, of Rockingham. Excellent addresses were given by both these gentlemen, who expressed themselves as highly pleased with conditions. Why not buy your Sugar now before the advance? We can save you money. R. E. HARRIS & SONS. The money Wolfville friends of Miss Rita Wells, formerly Vice-principal of Acadia Seminary, will regret exceedingly to learn of her death, which took place at the home of her brother in New York city on Saturday, June 28th. Miss Wells came to Wolfville in 1897 and for three years devoted herself unflinchingly to the very difficult task to which she had been called, and was respected, admired and honored by all who had the pleasure of her acquaintance. Her death was the outcome of a protracted and painful illness, and she was buried in the family lot at Woodstock, Ont., on June 29th.

On Sunday last, about 3 30 p. m., two young men, Roy Upshaw, 17, and George States, 23, (both colored) were in a skiff at or near Half Way River. Mr. Damon, and in some way the craft upset, with water at that point, when the tide is in being about thirty feet deep. States, who was able to swim, started for the shore, but turned when he heard his companion (who could only swim a little) cry out: 'For God's sake, George, save me.' His efforts were of no avail, however, and when he found that he himself was drowning he called out to his two little brothers on the bank to give him a gold watch to another brother. Three hours after the bodies were recovered. An inquest was held before Dr. V. P. Connor, of Hantsport, the finding of the jury being in accordance with the facts as above stated.
