A LONG AND USEFUL LIFE

There passed away, at his home on May 10th, Daniel Coldwell, the oldest and life-long resident of Newtonville, Kings county, N. S.

Mr. Coldwell was well known to the past generation as an upright and industrious farmer. Born on Aug. 8th, 1834, he was one of six brothers, four of whom lived to be well past eighty, and one, past ninety years of age.

In early manhood he united with the second Horton Baptist church, of which he remained an honorable member, faithfully attending its various services as well as the prayer-meeting in his home village, until prevented by the feebleness of age. His testimonies will long be remembered.

The deceased was married on April 25th, 1860, to Harriet A., daughter of the late Ebenezer Miner, by whom he is survived: and by four of their seven children: Lothrop L. and Mrs. John E. Coldwell, of Newtonville; Mrs. Bennett, of Franklin, Man.; and Mrs. Byroee Coldwell, of Davison Street; fifteen grandchildren, and one brother Samuel R. Coldwell, of Goff's Falls, N. H.

Mr. Coldwell retained his faculties to a remarkable degree, conducting his own business affairs neatly to the last.

His familiar figure will be greatly missed.

The death of Mary, relict of the late Egbert Card, of Gaspereau, took place at her late home on Thursday last week. The deceased, who was in the 58th year of her age, was a highly esteemed lady, active in every good work, and will be greatly missed. She had been in ill-health for the past two years but the end came suddenly. She is survived by a family of twelve children who mourn the loss of a loving mother. The funeral was held on Sunday afternoon and was largely attended, the interment being in the private cemetery at Newtonville. Rev. Mr. Gibson, a former pastor, came from Annapolis to conduct the service and gave a very appreciative address.

The many friends of Mr. W. J. Boates are glad to see that he is able to be back at his post at Wright's Mill after his most unfortunate experience of the past winter and spring. His right hand is of very little use to him as yet but is gradually improving. Mr. Boates has had the sympathy of the public generally in his misfortune and all will hope for him the compensation of future good fortune.

AN AVONPORT WEDDING

On May 12th the home of Mr. and Mrs. William A. Holmes, Avonport, was the scene of a pretty wedding when their youngest daughter Roselena Grace was united in marriage to Mr. James William Watt of Curkygarth, Scotland. At 1.30 p. m., the hour set for the wedding, to the strains of the "Bridal Chorus", rendered by her sister Miss Dolpha Holmes, the bride leaning on the arm of her father entered the parlor and took her place beside the waiting groom, where the ceremony was performed by Rev. John Meisner. The wedding party stood under a lovely arch of evergreens from which hung a large white belle and streamers of white ribbon. Only the immediate family and relatives of the bride were present, the bride looked very girlish in her wedding dress of white silk crepe-de-chine with lace trimmings over which hung her wedding veil caught up with flowers.

The grooms, gift to the bride was a handsome gold watch and pin, to the organist a beautiful string of pearls. Following the ceremony a dainty luncheon was served after which the happy couple left on the afternoon train for their future home in Vancouver, B. C. The bride's travelling costume was a suit of navy blue serge with hat to match.

Mr. and Mrs. Watt have a host of friends here and elsewhere all of whom join in wishing them many years of happiness.

WHITE ROCK ITEMS

Congratulations are extended to Mr. and Mrs. Ralph Ells upon the birth of a daughter, their first child, about three weeks ago.

The many friends in this place and vicinity of Mr. Jacob Pick, are sorry to know he is very ill with pneumonia at his home. All wish for him a speedy recovery to health.

Mrs. Elijah Smith has been very ill for some time, but we understand she is improving which is good news to her many friends.

Many of the larger school boys of this place, have been busily employed the last few weeks over on Belcher Street, at Mr. Manning Ells', taking up strawberries plants, to be crated and boxed for shipment to buyers, also in transplanting the plants on the farm and renewing the earth of old plants. We understand Mr. Ells has shipped thousands of plants again this year all of the best kinds.

Last Sunday showed a good beginning for the summer, of the travel from people outside to view the Electric Power Plant and Pulp Mill on the river, also could enjoy the lovely drive thru the Deep Hollow or up over the Hill, with all nature starting forth in its new Spring dress. A great number of automobiles and teams passed thru the Village.

An interesting picture of the guns of a great battleship being fired at night. The deck is brilliantly illuminated by the flash from the gun. It was by means of the flash this picture was made possible.
