THE LEAFS TRIMMED GRAYS YESTERDAY.

Newton, Toronto Pitcher, Held Providence Down to Two Hits.

YESTERDAY SAW another sparkling game and another brilliant Leaf victory at Toronto. Back in his invincible form of Tuesday, when he held the Jays to three hits and a shut-out, Doc Newton successfully hooked up with the Grays' crack flinger Barberich. One to nothing was the sum count, two the sum total of Duff's safeties, both singles, and a Texas League at that. Barberich pitched good ball, too. He had to, to hold the heavy hitting Leafs to seven bingles, but his work far from approached Newton's in point of excellence. Doc twirled a superb game. He issued a trio of passes, also hit a man, but these lapses from grace were mere trifling details in a great afternoon's performance. Till the very last inning the visitors never had even a chance to break through their kalsomeen. Score:

R.H.E.
Providence 0 2 1
Toronto 1 7 1
Batteries—Barberich and Fitzgerald; Newton and Vandy.

AT MONTREAL.

Montreal, Aug. 28.—The Royals shut out Jersey City. Hits were bunched off Waller in two innings, while Keesee was strong with men on base, four Skeeters being left at third. Corcoran's batting was the feature. Score:

Montreal 4 8 2
Jersey City 0 6 2
Batteries—Knee and Krichell; Waller and Spahr.

AT ROCHESTER.

Rochester, Aug. 28.—The Hustlers beat Baltimore, 9 to 5, yesterday afternoon. The locals had too many long hits for the Birds, who were not quite so slow as yesterday. Score:

MISS SUTTON WON SINGLES

From Mrs. Hannam at International Tourney.

Cassils, of Montreal, Captured Canadian Singles Championship.

Queen's Royal Hotel, Niagara-on-the-Lake, Ont., Aug. 28.—The hundreds of people who came here yesterday to see the international tennis finals between Miss Sutton and Mrs. Hannam were somewhat disappointed at the game put up by Mrs. Hannam, who lost to Miss Sutton, 6-3, 6-3.

Those who have seen Mrs. Hannam play know that she was off her games yesterday, and it she had not played into the net and been out so often, there is no doubt but that she would have beaten the world's champion. Mrs. Hannam has a better service than Miss Sutton and is stronger in returning, but for some reason or other she was off yesterday and practically lost her own game.

There were several fine matches and those who came over by boat, as well as those staying here for the tournament, were amply rewarded for their attendance.

The greatest interest, of course, centered in the match between Miss Sutton and Mrs. Hannam. The difference between the American and English style of play was exemplified. Mrs. Hannam is a steady, hard-working player, very strong and active. Miss Sutton is far more active and is a steady, accurate player. She has the knack of placing the ball in exactly the right spot at exactly the right time and some fine volleys were the result of the match. The audience applauded good plays by both contestants, and while congratulating Miss Sutton on her victory, did not forget to give Mrs. Hannam great credit for the excellent game she played.

Miss Sutton and Mrs. Hannam will likely come together again at the Newport tournament to be held in a couple of weeks. Miss Sutton will be in Buffalo next week and Mrs. Hannam in Cleveland. After these tournaments the ladies will go to New York.

Two sets of doubles provided more excitement for the spectators. Mrs. Hannam and Baird defeated Miss Summerhayes and Little, 6-3, 6-0, in a very fast and close game. Miss Sutton and Sinsabaugh beat Miss Rotch and Niles, 6-4, 1-6, 6-2.

The sets were very fast and some fine plays were made, which the spectators thoroughly enjoyed. Tremendous hits were made by both teams.

In the men's handicap, Baird, Toronto, beat Veysey after a prolonged struggle. It was the third meeting of the pair within three weeks. They first met at events at the St. Matthews tournament in Toronto, when Baird won in straight sets. Playing at events here this week, Veysey won in a three-set match, and yesterday Baird was owing one.

In the all-Canadian singles championship final Cassils, Montreal, defeated Veysey, Montreal, after a five-set match.

In the men's international doubles, Glasco and Baird, Toronto, beat Hodge and Richards, Buffalo, in a good contest. To-day's results:

FAST TIME WAS MADE AT FORT ERIE.

Hamilton Jockey Rides Adoration Home at 50 to 1.

HE FIRST DIS-

qualification of the Fort Erie racing year came yesterday, growing out of an accident in the mile-and-sixteenth event, fifth on the card, in which two horses went down and two boys narrowly escaped fatal injury. As they dashed by the stand after the start, Keep Moving, the well-played second choice, in the colors of H. G. Bedwell, kept crowding in from the outside, and by the time the horses had gone a sixteenth the speed of the mare had carried her far enough to the front to jam almost the whole field.

Elder, next the rail, was the first sufferer, and wedged into a small compass, he stumbled and went down, Jockey S. Flynn being tossed to the ground and the horse apparently rolling over him and then sprawling about on its back with hoofs flying dangerously; before it took its feet for a four-mile runaway. Toddy Hodge was also caught in the jam, next to Elder, but Jockey Ramsay managed to keep his seat for 50 yards farther, when, safely last, he also left the saddle.

Ramsay got up at once and limped off the track with a slightly injured leg. Flynn was motionless in the dust, and was raised unconscious, bleeding from a deep cut in the head and smaller ones on the shoulder and taken to the hospital quarters on the stretcher. There he regained consciousness, and after the doctor's attention was removed to Buffalo in a carriage. Last night he was reported as greatly improved, resting quietly, with no prospect of serious consequences.

Meantime, the contest had turned up a big surprise, for after Keep Moving and Golconda had raced themselves to pieces in front, Adoration, O. J. Decker's length, with as good as 50-1 about her prospects, Keep Moving finished second, a neck in front of Golconda, the first choice.

The judges disqualified Keep Moving and Woolstone was moved up to third position.

Keep Moving is the Yankee filly, formerly in the stable of Moses Goldblatt. She is a familiar figure to Buffalo racers. Keep Moving has acquired a wide reputation for bearing in on the rail. Mr. Bedwell said he would have scratched the horse had he known in time of his outside position at the barrier. Jockey Taplin defended himself as guilty, less a rider of rough riding tactics, when threatened by suspension and the judges will act on his case to-day.

Kyle showed best of the maiden youngsters in the opening dash, and won for Mr. Turney his first purse in some time. Banives was a hot odds-on choice for the second at five and a half, but got shuffled back on the far turn at a critical moment and was a neck at the end of the race.

In the third, Arionette, Anna L. Daley and Right Easy finished nose apart on the line in the order named and in the handicap fourth on the card Madman of the Bedwell pair proved the best engaged for the six furlongs jaunt. Injury came to the rescue of the favorite play-

ers in the sixth, but it took a hard drive to overhaul Joe Rose, and in the closing affair, at a mile and a sixteenth Beat Brummel and Gruche D'O'R had it hammer and tongs, six lengths in front of Dunvegan.

The track, as expected, was very fast and Madman's six furlongs in 1:11.45 tied the course record, held by Charlie Eastman. Injury's mile in 1:38.55 was but a scant fraction from Corcoran's mark of 1:38.2, made in the days of the quarter split.

Two cars of horses will leave here to-night for Quebec, to take part in the meeting of the Quebec Turf Club on September 2nd-4th. The meeting is sanctioned by the Canadian Racing Association and outlay horses are barred. As the club will distribute \$3,500 among the horsemen, the meet affords the cheaper class of horses an opportunity to gather some feed money. Summary:

John Ward was another of the few who gave up baseball when he was on the top wave. He was manager and captain of the New Yorks when they won the Temple cup, in 1905, and could have served several years more of usefulness both as a manager and a player. He was playing well at second base when he retired, and was as skillful as ever with the bat.

But he had made up his mind that it was time to get to his law practice, and was going to induce him to stay in the game. It wasn't easy at first, but he had the determination to follow out the path he had arranged for himself.
