HONOURING A CANADIAN EXPLORER

NOOTKANAY INDIAN TIPS CAMP at Lake Windermere Celebration in Honour of David Thompson.

IN the year 1807, David Thompson, Canada's greatest geographer, landed on the shores of Lake Windermere, British Columbia, and in the fall of 1922, one hundred and fifteen years later, people from all parts of Canada assembled near the spot where he landed, to do him honour, and to open in his memory a large log building of Fort, which takes the form of a museum to be utilized for the purpose of preserving historical relics.

The fort and museum were erected by the Canadian Pacific Railway and the Hudson Bay Company in co-operation with one another.

The dedication ceremonies included a pageant, which represented the scene of David Thompson's first visit to Lake Windermere. Indians from the Shuswap and Kootenay reserves were there in large numbers. Their tepees, pitched on the hillside surrounding the fort, were a splendid setting for the picturesque fort and museum. At night the Indians lighted their camp fires, and sang and played the favourite music of their tribes. The squaws were dressed for the event in their finest costumes, feathers, beads, etc. with gaily colored shawls and skirts being prominent. Children, as appears, in the Indian camp

them, were fashionable miniatures of their mothers. The braves appeared in their grandest robes, and were an inspiring sight. In the games held on the second day they showed skill of the highest order. Some of Canada's most distinguished authors, including Bliss Carman, were present on the occasion which will long be remembered at Lake Windermere.

PRELIMINARY HEARING IN STABBING CASE

The preliminary hearing in the Royal stabbing case was held Thursday. The hearing took place before Police Magistrate Lawlor at the Miramichi Hospital where Royal is a patient.

The only witness heard was the complainant George Royal. In his evidence he stated that there had been words exchanged between Albert and himself and then followed a fight. He admitted that he made two rushes at Albert. The accused then struck at him.

Albert when he goes on the stand will probably plead self-defence.

The hearing was adjourned, the date being left open.

Geo. M. McDade was present on behalf of the accused.

MEN IN DEMAND FOR THE WOODS

There is considerable demand for men in the lumber woods of the province this fall and men are being forwarded to firms in the northern part of the province as fast as they can be secured. Mr. N. D. Poirier, who conducts an employment bureau at 583 Main St., informs The Times that he has supplied quite a number of men for North Shore lumbermen this fall and there is a demand for many more. Young men, he says, need not go to the States to work in the lumber woods. They can get practically the same wages at home and there is lots of work for them.—Moncton Times.

There should be enough men on the North Shore to supply the needs of the lumbermen, without importing them from other sections of the province. These importations pay no taxes, but are given the jobs which our own men should be given. After their winter's work they take their earnings to other parts of the province, where they spend it and our own men are obliged to go idle. It does not appear as being a very good plan of building up the North Shore Counties. Charity begins at home.

Rev. Alex. Firth Inducted At Upper Miramichi

Rev. Alexander Firth late of Douglastown and Nelson, was inducted to the pastoral charge of his new congregation of Upper Miramichi Thursday evening by the Presbytery of Miramichi. The Presbytery met in St. Thomas Church, Doaktown, at 7.15 p. m., in the presence of a large and representative gathering of the congregation. Public worship was conducted by Rev. J.H.A. Anderson assisted by Rev. L. H. MacLean. The Moderator, Rev. F. W. Thompson, after a few words in narration of the steps leading up to this service addressed himself to Mr. Firth who responded to the prescribed questions set for such occasion, and was after prayer conducted to the pastoral office, the members of Presbytery extending the right hand of fellowship.

Mr. Firth has been nearly nine years minister in Douglastown and Nelson and enters upon his work in Doaktown and Boiestown with a good record of service and with the hearty goodwill of a people with whom he labored for a summer during his student days.

NEWCASTLE HIGH SCHOOL DEFEATED CHATHAM

On Thursday afternoon, for the first time in many years, the Newcastle and Chatham High School football teams came together for a game on the gridiron. Newcastle won by the decisive score of 6 to 0, making two tries in the second half. The game was a good example of clean football, the Newcastle team holding the game in their favor throughout. Both teams have only been at the game for the past three weeks and each showed good form. Newcastle's snappy back division was too much for their opponents, and had no difficulty in passing and getting over the line.

Mr. E. W. Watling of Chatham refereed the game to the entire satisfaction of all concerned.

The game was held in the Farrell Field and was witnessed by a large number of spectators.

The Chatham players came up by auto and were supported by a number of rooters from their town. A return game is expected in the near future.

PRESENTATION AND ADDRESS

On Thursday evening last, a number of St. James' Congregation Nelson, drove to the Manse at Douglastown and presented Mr. and Mrs. Firth with a purse and the following address:

South Nelson, N. B., Oct. 19, 1922
To Rev. Mr. and Mrs. Firth,
Douglastown, N. B.

Dear Mr. and Mrs. Firth: It is with a feeling of deep regret, we the Ladies Aid and your friends of St. James' Presbyterian Church, Nelson, take this opportunity of addressing you, prior to your departure from us entering another field to continue work for the Master you love so well.

We cannot find words to express our loneliness for you, but we know, as time goes by, although your absence will be more keenly felt your leadership and loving messages are imprinted in our minds for ever. The years of your Ministry among us, have gone all too quickly, and we want you to feel, they have not been in vain. If we are not a better people the fault lies with ourselves. We pray that God may be kind to you both and give you health and strength for years of service in the work He has called you.

Please accept this purse as a small token of our love and esteem and may the blessing of God be with you in the fervent prayer of your sorrowing friends.

Mr. Firth, although taken by surprise, replied very fittingly. A very pleasant evening was spent. Refreshments were served and after singing "Blest be the tie that binds," the party left for their homes in Nelson.

LEFT FOR CHINA

Rev. George K. King, late of Matapedia, P. Q., left last Thursday for the west. After spending a few days in Toronto he proceeds to Vancouver where on Nov. 3d he sails for China to enter upon his life work as missionary in North Honan under appointment of the Board of Foreign Missions of the Presbyterian church in Canada. In Victoria, B. C., Mr. King will be married to Miss Edna Baird formerly of Fredericton who with her parents removed to Victoria a few months ago.

BEAVERBROOK THE MAN BEHIND THE GUN

London, Oct. 27.—The New Leader, which recently took the place of the Labor Leader as a weekly organ of labor opinion here and is edited by Henry N. Brailsford, the well known author and journalist, declares that Bonar Law would not be premier today, and would probably have retired altogether from politics, but for the eager energy of his friend, Lord Beaverbrook.

"That extraordinary product of success in Canadian finance, rising from the most humble circumstances and with a real genius for friendship," says the New Leader, "has been determined on one thing only in politics for the past ten years, and that is to make Bonar Law premier."

"The new government is a Bonar Law-Beaverbrook government and although Lord Beaverbrook may remain behind the scenes, it will be his decisions which will count."

"He assisted in breaking up the Liberal party in the first coalition and pitched Bonar Law, neck and crop, while the latter was timorously shivering on the brink, into repudiation of H. H. Asquith by a second coalition. In this last week, when Bonar Law was timidly preparing to resign rather than make his speech against Austen Chamberlain, we think it would be found that Lord Beaverbrook took the decision for him."

Hallowe'en Concert Much Appreciated

The Young Women's Junior Club of St. James' Church held a most enjoyable and unique Hallowe'en entertainment in St. James' Hall, on Friday evening. A Comic Character Sketch, entitled, "The Young Village Doctor" by Clara E. Anderson was presented in four scenes. The hall was well filled, over two hundred being in attendance, and every patron was exceptionally well pleased with the presentation of the drama. The stage and hall were beautifully decorated for the occasion, suggestive of Hallowe'en, and the members of the Club are deserving of highest congratulations on the result of their energies.

Each member of the cast took their part in a most commendable and pleasing manner, and the audience showed its appreciation by outbursts of applause.

The performance was one which would have been most creditable to professionals, and as only the short space of one month was devoted to the rehearsing of the drama, it speaks highly of the talent of the young ladies who took part, and also of their instructors. Between the scenes Candy was sold and Miss Janet Styrmist delighted the audience with a Soprano Solo.

After the entertainment the charming and obliging young ladies of the club served refreshments to the audience, while fancy articles were sold from a well-laden table in one of the alcoves. Rev. L. H. MacLean, pastor of St. James' Church, gave an instructive address on Dramas, which was much appreciated by the audience. The excellent music of the orchestra was much enjoyed.

It is possible that the drama will be repeated in the near future in Blackville.
