### and accept no substitute. Sardou's New Play.

Paris, May 11. — Sardou has written new piece called "The Sorceress" but Bernhardt promptly contradicted it.

GOOD DIGESTION SHOULD WAIT ON APPETITE.—To have the stomach well is to have the nervous system well. Very delicate are the digestive organs. In some so sensitive are they that atmospheric changes affect them. When they become disarranged no better regulator is procurable than Parmelee's Vegetable Pfils. They will assist the digestion so that the hearty eater will suffer no inconvenience and will derive all the benefits of the Dark Continent, and he had told me—the declaration proving prophetic—that the fate of Africa could only be decided in one of two ways, and that soon: either Great Britain had to assert herself, and between the predominant factor that her to live bravely.—Ivan Panin.

Some of the Seventh's New Men Try Their Skill at the Target.

the Seventh Regiment are taking in rifle shooting this year was shown by some kind will be reached between the that the difference is quite large. How- the attendance at the Cove ranges on men and the manufacturers and that a ever, it is to be hoped that this im- Saturday, when the first of the pracportant industry will not be tied up for tices with the ammunition furnished by the Government took place. Up+ wards of 40 men who had never appeared at the ranges before tried their luck at the targets, and many of them did remarkably well. Each man was supplied with 50 rounds, and with seven shots he was compelled to make not less than 20 points at the 200 yard range before he was allowed to try at the 500 yard range. Many of the new men moved up on the first try, but others again were unable to change In the evening at 8 o'clock President before the shooting for the day conand Mrs. Sallmon gave a reception at cluded. Strange as it might appear, one of the marksmen went back in his score every time he shot. The practices will be continued every Saturday for some weeks yet. The Government's allowance for the regiment is 50,000

### rounds of ammunition. SALONICA UNDER ARMS

Turkish Troops Closely Guard the

City Streets. London, May 11.-The Salonica correspondent of the Times cables that there are ten foreign men-of-war in the harbor of Salonica. A state of siege has been proclaimed and Turkish troops are guarding every square yard of the town. Apparent quiet prevails. The schemes of the revolutionary leaders may hang fire, but it is not likely

### that they will be abandoned.

COTTON'S BIG JUMP English Sales Send It Up Fourteen

Points. New York, May 11.-The wildest excitement in cotton whis season occurred movement was started by an unexpected advance of 11 to 14 points in Liverpool, amended by heavy sales of spot cotton in the English market. The local market responded with an advance of 15 to 24 points, a new high record for the movement. The bull clique realized heavily in order to avert a bear panic. A reaction of 10 to 14 points followed. The market quieted down, but transactions were

### still the largest of the season.

IS EFFECTING WINDSOR Business Suffers From Montreal's

Strike.

Windsor, May 11. - Several Windsor shippers complain that the strike of the dock laborers at Montreal is having serious effect on business. Dr. McPhedran, a Toronto specialist, has been called in consultation with Dr.

### P. A. Dewar, who is attending William McGregor, collector of customs.

DOCTOR SAID YES Two Little Tots Ask If They Have

Smallpox. Windsor, May 11 .- On Friday afternoon two little tots from the country wandered into a drug store in Sandwich and said to a gentleman there. whom they knew to be a doctor: "Do that only a student in love with his you think we have got smallpox." The children were examined and found to be just breaking out with it.
