GONE FIVE YEARS

When Coffee Left the Troubles Disappeared.

It is hard to make people understand that coffee really will do business for them if they stick to it long enough. It is almost a certainty that some little symptom of disease, stomach trouble, or kidney or heart trouble, caused by coffee drinking will ultimately develop into some fixed organic disease unless the cause of the disturbance is removed. An illustration may not be amiss.

A lady in Kearney, Neb., says, "I used coffee a great many years. Gradually my health broke down. I had dyspepsia and was extremely nervous. I passed many sleepless nights, but, like many others, did not know what was the cause of my invalidism. Finally the trouble centered into a fatty tumor just over the stomach and in the region of the heart, causing acute pain in the stomach and a spasmodic action of the heart. A surgical operation was deemed necessary, but after all the preparations were made a good, old, honest doctor suggested that I take treatment a little longer and leave off coffee and take Postum and some Grape-Nuts Breakfast Food.

I began on Postum and had it made properly by long boiling and found it delicious and drank two cups the first morning. After two weeks I discovered a marked change for the better, and knew my supposed tumor had disappeared, my headaches were gone and digestion wholly restored. My heart no longer gave me trouble a few times. That was five years ago. I have been a steady user of Postum ever since and am a new creature today. Am in strong and vigorous health, and know exactly how to account for it. The ignorance of people on the subject of coffee is a constant wonder to me, although, at one time, of course, I was just as much in the dark as any one could be, going along year after year putting into my body the poison that was killing me and never knowing it." Name given by Postum Co., Battle Creek, Mich.

education department, notifying the boards of examiners that the date had to be altered, and suggesting Friday and Saturday, instead of Thursday and Friday, June 26 and 27. The suggestion was agreed to.

The examiners for London will be Inspector Carson, Principal Radcliffe, Mrs. Gahan and a representative to be appointed by the separate school board. Mr. Collins, of Guelph, generally acts for the latter.

DEATH OF MRS. GEORGE BARKER

The death of Mrs. Barker, widow of the late Geo. Barker, of Lobo, occurred last night at the residence of her son, Mrs. Charles Barker, 643 William street. Mrs. Barker had been in poor health for a considerable time. She was born in Yorkshire, England, and came to this country with her husband in 1861, settling first in London township. Later they took up land in Lobo township, and it was there that Mr. Barker died several years ago. Since then Mrs. Barker has been living in this city with her son, Arthur Barker, of Wilketport, Ont., the only other son. The funeral, which will be private, will take place on Sunday afternoon at Mount Pleasant.

In addition to the present service, an additional train will leave the junction at 7:50 p.m., arriving at Guelph at 8:20 p.m., affording close connection from Detroit, Chatham, London and Galt. POWELL VS. GARVEY.

Judge Chisholm heard the case of Powell vs. Garvey at Berlin on Wednesday. This was an interpleader issue to decide the question of ownership of certain goods seized by the sheriff in Galt, under an execution issued by John Garvey, London, against Margaret J. Powell, who kept a grocery store in Galt. The plaintiff in Galt, was Miss E. C. Fowler, who based her claim upon the goods under a chattel mortgage given by her sister, the execution debtor, to secure certain moneys lent by her. The defendant claimed the chattel mortgage was void against his execution, on the ground that the execution debtor was insolvent, and that the mortgage was an unjust preference and contrary to statute. His honor gave his decision in favor of the defendant, the plaintiff in his opinion failing to prove his affirmation.

CAR WENT UNUSUALLY FAST

Inquest on Walter Campbell's Death Continued.

Employees and a Passenger Give Their Evidence.

The coroner's inquest on the death of Walter Campbell, killed on May 24 by falling under a Springbank car, was resumed for a couple of hours last night, Coroner McLaren presiding. The evidence of three witnesses was taken and the inquest was then adjourned for a week.

The first witness called was Conductor Charles Martin, who was in charge of the motor car at the time of the accident. His first intimation that anything was wrong was a scream from young Campbell. The witness did not interpret the "stop" sign at Dundas and Talbot streets to mean that the car should come to a stop. The motorman merely slowed up so as to have the car under complete control. On the occasion of the accident, witness did not signal the motorman to go ahead, as the latter started to increase his speed without a signal. The witness did not think this an infraction of the rules, as the car had not stopped.

Supt. John Break was the next witness. It was, he said, his duty to enforce the carrying out of the company's rules. The employees were to carry out the rules "to the best of their judgment." If the car stops the conductor must give the motorman two rings to a stop, but on his own responsibility. The last witness called was Miss Lillian Berry, who was a passenger on the trailer at the time of the accident. She saw the boy getting on the rear step of the motor. He took hold of the rod with both hands, and got one foot on the step for a few seconds, then seemed to lose his balance and fall. The car was going unusually fast.

The inquest was adjourned to meet at 8 p.m. on Friday, June 30.

DOUBLE-TRACKING

THE GRAND TRUNK

Expeditions Work Being Done—Mr. Clergue and the Canada Atlantic.

F. H. Clergue has returned to the Soo from Ottawa, after a protracted meeting of the directors of the Consolidated Company. It is said that negotiations were in progress for the purchase by the syndicate of the Canada Atlantic. Dr. Webb was in the Soo a few days ago, and had a conference with Clergue. Webb's option on the Canada Atlantic expired June 1. The purchase of the road is part of a plan to combine the Canada Atlantic, Canada Northern and North Shore and Algoma central, and complete a great trans-continental system to compete with the C. P. R.

Some rapid work is reported on the new spur line from Berlin, Ont. In fifteen days one mile of track from that town to the new best sugar factory was graded and the track laid, the work necessitating the removal of 16,000 yards of earth and the building of an overpass bridge. On the evening of the fifteenth day ten carloads of machinery were placed at the factory ready for unloading. The grading of the extension for a mile further will be completed tonight (Saturday). The stonework of the bridge in the Jordan Niagara Falls has been completed, and the iron structure is being placed in position. The work of double-tracking the line is proceeding rapidly. Dr. Horsey is having a two-mile spur line built from the Grand Trunk Railway at Shallow Lake to his mari beds.

BET HE COULD OPEN LOCK

Berlin Man Victim to an Old Sharper's Trick.

Dr. Deyolheasala, Indian Showman, Was Also Bitten.

High Constable Kilpert, of Berlin, passed through the city yesterday. He had in his custody one John (alias "Kid") McLeod, whom he was taking from Chatham to Berlin. The charge against McLeod is that of stealing \$56 from one David Robinson, the means employed being the old familiar one of getting the victim to bet on his ability to open a trick lock. It is said that Dr. Deyolheasala, the Indian showman, whose circus came to grief a day or two after exhibiting in this city, also had an experience with McLeod. The doctor had McLeod arrested in Buffalo, but could not procure his extradition.

CHOIR MADE PRESENTATION

Pleasant Affair at Dundas Center Methodist Church.

Mr. and Mrs. Hewlett Receive Delightful Evidence of Popularity.

Mr. W. H. Hewlett, the popular organist of the Dundas Center Methodist Church, who is about to become organist of the Centenary Methodist Church, at Hamilton, was pleasantly surprised last night by the members of the choir, in the midst of the regular practice of the choir, Rev. C. T. Scott entered the church, and requested Mr. Hewlett to go to the vestry. This was the signal for the choir, who immediately adjourned to one of the parlors of the church, which was beautifully decorated for the occasion. After a few moments Mr. Hewlett was ushered in, and presented with a gold fountain pen, and two beautiful traveling rugs, for himself and Mrs. Hewlett. The pen was inscribed with the words: "Presented to Mr. W. H. Hewlett by
