2,500 Fans See St. Thomas Oust Niagara Falls From O.B.A. Flag Hunt

5TH, GIVING SAINTS LEAD

McPhee Allows But Four Hits, and Strikes Out Eleven Men in Fine Mound Exhibition.

Nearly 2,500 fans saw St. Thomas eliminate Niagara Falls and win the right to enter the O. B. A. finals for the western section against the winners of the Oakville-Galt Terriers series by a score of 7 to 3 at Teoumseh Park on Saturday afternoon.

Tecumseh Park, with the stands loaded to the gunwhales and lined with cars two deep, looked as if the Hamilton-Saginaw series had got deralled or something, and until Wilson broke in the fifth frame and allowed the Saints to score five runs in one palnful heap, the brand of ball played looked decidedly on a par with the tightened-up Mint League variety. McPhee's hurling was a feature of the nine-ifining thriller, the Saint southpaw whiffing eleven of the men from the native wine district and being in danger but seldom, and then displaying all sorts of poise and control. He allowed the losers but four hits, widely separated.

The chaotle fifth played havoc with the morale of the peninsular men, and brought Bova, who beat the Saints on his home lot, into the game to relieve Wilson. He didn't allow any hits the next three frames, but in the ninth, after Barciay had hit safely at short field, the Saints bunted twice safely, the last squeezing in a run and Bova's wild throw allowing in the other tally on the Saints were aggressive on the Saints, London, and then Saints bunted twice safely, the last squeezing in a run and Bova's wild throw allowing in the other tally on the Saints were aggressive on the Saints, London the Saints bunted twice safely.

wild throw allowing in the other tally on the same play.

The Saints were aggressive on the bases, but while quick-thinking and well-timed base-running got them several tallies, they missed a couple by narrow margins.

Up until the fifth the Niagara men had only got one hit, though they were dangerous several times through getting on cheaply. In the first frame, after striking out two, Campbell's error and a hit batsman put two on the paths. O'Connor made the third whiff. In the third a walk was followed by Whaler's single to left, but Heximer, cf. Guessenhoff. If the fourth and Smith sacrificed him along, but McPhee rose to the occasion by striking out the next two.

Wilson began to crumble by walking two in St. Thomas's fifth. Barclay, who had tripled in the third and was tagged out at the plate on a squeeze play which got tangled, bunted safely.

Niagara Falls— H. Heximer, 2b.

Venning laid down a fielder's choice. Campbell scoring when Heximer's throw to the plate went wild. Binns repeated with another choice towards the box, but Mc-Phee succumbed at the plate. Arlien, who, with Clark, had hit safely in the preceding frame and figured in a double steal, ironed out a single to deep right here. Barclay and Venning scored. Binns rounded third right on and "Corker" Legs.

The big event on the final day of the matches was the competition for the John Crowe Trophy, which was won by the First Wellington Rifles' team, with the Royal Grenadiers of Toronto, a close second.

Dissatisfaction was expressed by the committee in charge of the shoot as a committee in charge of the shoot as a result of the action of the department of militia in not contributing the annual grant of ammunition for the matches. In former years a donation of 10,000 rounds was made by the government, but this was withdrawn this year.

Where Quality Means Most-Goodyear Tires are Used

The man, who above all others needs to buy the best tires, is the automobile manufacturer.

The difference in price between Goodyear Tires and the cheapest tires would only amount to a few dollars per car.

But the difference in quality could easily ruin any car's reputation for tire mileage and trouble-free service.

The reputation of his car demands that the manufacturer secure the best tires. A great majority of the automobiles built in Canada are equipped with Goodyear Tires.

Manufacturers who buy tires for thousands of cars find that Goodyears give the lowest cost-per-mile. will find the same thing true of your car.
