ACCUSED OF THEFT ARE UNDER ARREST

Two Young Men Arrested
At Bathurst By Chief
Crawford.

EXAMINATION MONDAY.

The two young men, LeTourneau and Moore, accused of taking a sum of money and some jewelry from Bathurst, St. John, were arrested by Chief Crawford Tuesday. On the return journey, the two men were sitting in a seat with the Chief and the other had asked to be permitted to get a drink and the Chief allowed him to do so. He went to the rear of the car, opened the door and jumped. The train was running at a high rate of speed, and although the conductor was notified a stop was not made until Bathurst was reached. The Chief telegraphed to Sheriff Doucet and then the two men were arrested and taken to the police station. They were examined by the Chief and then taken to the police station. They were examined by the Chief and then taken to the police station. They were examined by the Chief and then taken to the police station.

Both were remanded until Monday. LeTourneau is out on \$500 bail, but Moore is still in the lockup.

MINARD'S LIMENT CO. LTD.

Dear Sirs—While in the country

last summer I was badly bitten by

mosquitoes, so badly that I thought I

would be disgraced for a couple of

weeks. I was advised to try your

ointment to allay the irritation, and this

did the trick. The effect was more than I

expected, a few applications completely

cured the irritation, and preventing

the bite from becoming sore. MIN-

ARD'S LIMENT is also a good ar-

tic to keep off the mosquitoes.

Yours truly,

W. A. V.

INVESTIGATION TO PROCEED

Committee Asked for a Stenographer To Take Down Evidence of Police Investigation.

TO ERECT ARC

The authority of Council to engage a stenographer, Owen McLennan, said that he would like to have the town engineer attend the investigation. In regard to the charges against the Chief, one from Mr. Blair and the other from Mr. Storey, and both are for using profane language and for acting unbecomingly a police officer. Mr. H. M. McLennan, Chairman of the Police Committee, stated that the investigation would set these charges, and any others which were proposed, laid before the Council. He added, that from an article appearing in a local paper, that 1897, there were no charges laid, but they have been laid since then.

At the meeting of the town Council Tuesday evening the Police Committee was given authority to hire a stenographer to take the evidence in the investigation of the charges against Chief Crawford.
