MOUNTAIN PREACHERS' FOUGHT DUEL WITH FATAL RESULTS.

**Attacked One Another With Knives
and One is Dead, The Other
Arrested.**

A MURDER CHARGE.

Louisville, Ky., June 19.—An indictment was returned on Thursday, but not made public until today, charging Rev. Isaac Perry with the murder of Rev. Robert Vanover. The two ministers, both well known mountain preachers, had been holding revival meetings in Whiteley county, and quarrelled over some charges which had been laid against

Vanover. The trouble reached its height during a service in the Rock Creek Baptist Church a week ago, and Vanover and Perry, armed with knives fought a duel in the building while the people, in a panic, fled. Vanover's throat was cut from ear to ear and he died in a short time. Perry and his brother, Blaine are in jail at Williamsburg.

DEATH OF ALBERTA PATRIOT.

One by one the pioneers of Alberta are passing away and in the death of Rev. Dr. Herdman, not only has the Presbyterian church, but the whole of Western Canada, lost another of its truly great men.

The work of the late Dr. Herdman and Dr. McKillop in southern Alberta and Dr. McQueen in northern Alberta will be as lasting as eternity. The first two "rest from their labors and their works do follow them."

Rev. Dr. Herdman came to Calgary in 1885, when this city was a little village and when Presbyterianism was represented by a very weak congregation with no church, services being held in a small wooden building on Seventh Avenue. With that firm faith in the future which characterized his whole life, he set to work and before two years had passed the congregation had a fine stone place of worship. From this small beginning Presbyterianism has since gone steadily ahead until the present, when it is represented by eight large congregations. Dr. Herdman's life and influence were not confined to his own denomination but to his own people. He was the friend of all and many a life has been made better and many a dependent one who was not of his own faith, but who was encouraged by his kindly words and broad sympathy. As a citizen, he was esteemed by every one with whom he came in contact, and his influence on the civic life of Calgary in its formation period was great and always on the side of truth and right.

As a pastor he was beloved by his congregation and honored by the ministers, not only of his own denomination, but of every other denomination, for his sterling character and great ability. When called upon to fill the position of superintendent of missions for Alberta and eastern British Columbia, he felt reluctant to leave his beloved Knox church, but saw that it would open for him a wider field of usefulness. Everyone felt that no worthier selection could have been made to carry on the great work of the foundations of which had been so nobly laid. Following the example of his predecessor he travelled up and down the large district entrusted to his charge, encouraging lonely young missionaries, visiting the settlers in their homes on the prairies, the lumber and mining camp of the moun-

tains; wherever he felt there was need of his services. Like the Master whom he served "He went about doing good." Dr. Herdman died at the comparatively early age of 54 years, a martyr to duty, but who will say that his life work was not accomplished?

The above is from the Calgary Alberta, and tells of the work of the late Dr. Herdman, who was formerly a resident of Campbellton.

COLLISION

While driving his new car Mr. W. Gunter collided with a heavy sleigh at the corner of Union and Andrew Streets. The sleigh was uninjured and the auto only slightly damaged.

TO CURE A HEADACHE IN TEN MINUTES USE KUMFORD HEADACHE POWDERS.

MOST MODERN CATTLE ACCOMMODATIONS AT DOMINION EXHIBITION

The most modern of live stock accommodations will be afforded exhibitors at the Dominion Exhibition. St. John, N. B., September 15th to 15th, indeed the new facilities embody the latest and most approved idea and will be appreciated by both exhibitor and visitor. The cattle barn proper, 500 head will be housed within easy exchange. In connection with each stall there will be running water and other modern improvements. A patient litter carrier suspended from a rail-track in the ceiling will be utilized to remove all accumulations, while the drainage will be perfect. Show pens will be accommodated in keeping with most modern ideas. From central elevated walks spectators will be afforded an excellent view of the animals as they wander around their six foot pens. The carpentry work will be open or picketed assuring constant circulation of air. The fignery will follow this same plan of erection, especial attention to ventilation, freedom from overcrowding, lighting and light-seeing. Heretofore exhibits of horses have been made in long rows of box stalls only, but this year special provision is being made for harness horses in new barns arranged with broad aisles. Poultry and Pig Stock are to be shown in what was formerly known as Agricultural Hall where much more space is available and a comprehensive display is possible.

COW TESTING FACTS FOR DAIRY FARMERS

**What These Lists Have
Shown in Instances on
Other Farms**

COMMISSIONER'S REPORT

Every little while facts come to light which speak in far-reaching tones of the value of cow testing to the dairy farmers. For instance, a letter is just received at the Department of Agriculture, Ottawa, from Mr. George Wise, of Shelburne, Man., which reads as follows: "I am pleased, that I was led to see what my cows are doing, though now only just entering my second year of recording each cow's doings, see there is a great difference in the returns from the creamery and of course it is there we should find the change. Note the remarkable gain for the first four months of 1910. In 1909 from January the 1st to April the 30th we were milking 3 cows and received 1129.59 for cream sold. In 1910, during the same period, we milked only eight cows and received for 125.03. Further, we made butter this year for a household of nine persons, last year we bought our butter. These are actual facts. The only difference is a few extra all winter, but I have sold cows that were poor ones, though one of them made a good showing the first six months of the year. The cows picked up wonderfully on a selling crop in September. The returns show it and every animal went into winter quarters fat."

It will be noted that Mr. Wise, besides the butter used at home, made an extra hundred dollars in four months with a smaller herd. The cows are being selected. The records show which cows to keep and the fact that records are kept induces the owner to have his herd better in every way. Cow testing pays.

C. F. W.

Lame shoulder is almost invariably caused by rheumatism of the muscles and yields quickly to the free application of Chamberlain's Liniment. This liniment is in no way disagreeable to use. Sold by all druggists.

LADIES' ORCHESTRA AT ST. JOHN FAIR.

Madame Renfrew's Orchestra of twenty-five ladies will give one of the big musical features at the Dominion Exhibition in St. John, N. B., Sept. 15th to 15th next. This organization ranks high in musical circles of America, and is being brought to St. John at a very considerable expense. The comedy boys of young ladies dress most attractively in different costumes from day to day, and their programme is a happy commingling of popular, classical, household, religious and national music. They have numerous specialties numbers, in imitation of animals, minstrel troupes, etc., and among the party are some veritable comedienne, who create merriment as well as a delight from the musical standpoint. Madame Renfrew's orchestra will be heard afternoon and evening at a central point in the main building, to enter the thorough enjoyment of its programmes special seating provision will be made nearby. During the afternoons and evenings long brass bands will supply music in front of the Grand Stand and round about the grounds.

NEW LUMBER COMPANY

The Continental Lumber Company Limited, is the latest to enter the list of Restigouche Lumber firms. This company has been granted a Dominion charter to do business. The incorporators are Jos. E. Brocher, J. L. Maynard, Arthur D. Beeve, Jos. A. Auger of Providence, R. I., Walter J. Miller and John MacLean of Campbellton. The head office of the company will be at River-Charles and the capital stock is \$100,000. The company will operate the Currie Mill at River Charles.

LOST

The side curtains of an auto ton, Finder will be rewarded by notifying the Graphic Office.

E. M. F. CARS

Messrs. H. B. and C. W. Anslow have been appointed the agents for E. M. F. automobiles for the counties of Restigouche, Bonaventure and Gaspe. Already one large touring car has been sold, and several gentlemen are negotiating for the purchase of the light runabout. The E. M. F. factory is the largest in the world, and the product of this factory, exhibited at Toronto, was said by persons competent to judge, the best for the money offered. The large touring car, motor \$1500, fully equipped, and the runabout for 1910. If interested write Anslow Bros. Campbellton.

JANITOR WANTED

Applications for position as janitor for the Campbellton Grammar School will be received by the undersigned up to and including June 25th inst. For further information apply to Sec'y to Board of School Trustees, Campbellton, N. B. By order of the Board. Id.

APPALLING NUMBER OF FLOOD VICTIMS

Nearly One Thousand Deaths in Hungary—Crops Ruined.

VIENNA, June 18.—The destruction of life and property by floods throughout Hungary exceeds all records. The number of deaths has not yet been ascertained, but it is believed that they will aggregate close to a thousand. The damage to crops and property will amount to several million kronen. The harvest is seriously threatened with destruction.

Beware of Ointments for Catarrh That Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In "aying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by all druggists. Price 75c per bottle.

Take Hall's Family Pills for Constipation.

"It cured me," or "It saved my child," are the expressions you hear every day about Chamberlain's Colic, Cholera and Diarrhoea Remedy. This valuable remedy has been introduced, and is being used by thousands of people. It is a real toilet essential approval. The secret of the success of Chamberlain's Colic, Cholera and Diarrhoea Remedy is that it cures. Sold by all druggists.

FELL 150 FEET INTO FIRE BELOW.

Killed by Tumbling Down Chimney.

Boston, June 18.—Gustavo Santelli, an assistant janitor of the Dearborn schoolhouse Roxbury, after falling down the inside of a 150-foot brick chimney, was killed by a gas fire, and being partially burned in a gas fire at the bottom, was dragged out still living, although he died before he reached the City Hospital.

Minard's Liniment Lumberman's Friend.

KILLED BY A BULL.

William Cameron, a well known farmer, of Upper Hampstead, was killed by a three year old bull on Wednesday. The bull was driven into the field before he was killed, a young lad, Mr. Cameron was one of those who helped to pull the bull away. On Wednesday the bull was found lying dead in the field where the bull was kept. He was terribly battered, and was almost unrecognizable. It is supposed that the bull attacked a yoke of oxen when Mr. Cameron was driving through the field, and that when the bull attacked the oxen, he attempted to drive it away. The people nearby are shocked by the occurrence, and several farmers who have vicious bulls have decided to get rid of them. Mr. Cameron's funeral took place Thursday—Globe.

FIG PILLS

are guaranteed to cure Backache, Kidney and Bladder Troubles, Lame Back, Painful Stitches, Rheumatism, Straining, Frequent Urination, ends Bladder, mucus, cures Constipation, or money back. Also a box or five boxes for \$1.00. At all drug stores. The White Drug Store, Special Agent.

CURIOSITY INDEED

It was in the museum. "Those, sir," announced the guide as he stepped before a glass case, "are the eggs of an American spider. They are about 5000 (get above the sea level).

The visitor removed his hat with a grave bow.

"Why do you remove your hat?" asked the guide, curiously.

"Out of respect."

"Respect?"

"Yes, respect for any eggs that could have been higher than the eggs of the barnyard hen."

"Cured."

asked me to try Burdock Blood Bitters. I find I am completely cured after having taken three bottles. I can safely recommend it to all."

For sale by all dealers.

Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

REV. DR. HERDMAN CALLED TO REWARD

**One of Albertas Really
Great Citizens Sum-
moned**

A PIONEER

The news received yesterday of the death of Rev. Dr. Herdman, who for nearly twenty years was superintendent of Presbyterian missions for Alberta, touched many hearts with sadness.

At a meeting of the session of Knox church, held last night a resolution of condolence was passed in Mrs. Herdman and family. Their great bereavement. The session also decided to attend the funeral in a body and act as pallbearers.

The funeral will take place at Knox on Friday afternoon at 2 o'clock. In the beautiful cemetery, amid the murmuring pines, in the place which he lived so much, in life and in which he took such a great interest, all that was mortal of Rev. Dr. Herdman will be laid to rest until the resurrection morn.

The funeral services will be conducted by Rev. Mr. Miller of Nanaimo, and it is likely that memorial services will be arranged for in Calgary.

Mrs. Herdman received yesterday a very sympathetic message of condolence from the moderator of the general assembly of the Presbyterian church of Canada, now in session in Halifax. The message expressed the appreciation of the members of the assembly of the Christian character and the noble work of Dr. Herdman, and regret at his death.

The late Dr. Herdman was a native of Pictou county, N. S., a country that has produced a great number of Presbyterian ministers. At a young man of 25 years of age he came to Alberta, which was his home up to the time of his death at the comparatively early age of 54 years. He survived by a sorrowing widow and a family of two sons and one daughter the sympathy for whom will be expressed by the Presbyterian community where Dr. Herdman was loved and esteemed—Albertan Calgary.

FIELDING'S WONDERFUL RECORD AS MINISTER OF FINANCE.

**Has Shown Public Works Dept's
but On Fredericton lus Every Year
Continue Passes Hundred Million Mark.**

CANADA'S GROWING TIME.

William Surplus Fielding would be no had name for a Minister of Finance who has had an unbroken record of annual surpluses, save in one case, ever since assuming the said portfolio. The one exception was a deficit the first year of his occupancy of the office, and was the last grasp of Fosterian finance. Since then, almost every successive year has made a new record. The figures are now out for the fiscal year ending March 31st 1901, and they tell a tale of wonder. The total revenue from all sources was \$101,591,084, a gain of not less than sixteen and one-half millions over that of last year, and is memorable for the fact that for the first time we have reached and passed the hundred million mark; and this vast growth of Federal income has

been brought about by a decrease in taxation because the Liberal tariff remodelling has saved the taxpayer one hundred million dollars in twelve years. The ordinary expenditures of the consolidated expenditure on Consolidated Fund Account, during the fiscal year just closed came to \$75,409,849, a decrease of four and a half millions compared with the previous year. The expenditure on Capital Account, that is the amount spent by the Government in permanent investments, bound to yield revenue in a short time, came to \$4,114,994. According to the estimate of government book-keeping which has obtained since Confederation—and of which Hon. Geo. E. Foster was always a vigorous defender—this vast growth of revenue as a

trick of always speaking of revenue as taxation because the Liberal tariff remodelling has saved the taxpayer one hundred million dollars in twelve years.

while in office—this yields a surplus of \$26,092,185. But in another way, this means that the ordinary revenue of last year paid all items of ordinary and capital expenditure and left eight and a half millions to pay on the account of the Grand Trunk Pacific, leaving twelve and a quarter millions to be added to the public debt. Since April first, the revenue has been gaining at the rate of a million and a half a month, and by the end of the current year will no doubt be sufficient to pay all ordinary as well as all capital expenditure, including the railway capitalization. Such accomplishments will, when we consider the vast development of this when attempting to cover the deficit brought about, mark Mr. Fielding against the Government by the old.

(Continued on page four.)
