NOVA SCOTIA MAN
GAINS 25 POUNDS

"I Simply Feel Like a New Man,"
 He Says After Taking

"I have often seen the time I would have gladly given everything I possessed for the belief a few bottles of Tanlac has given me," said Robert McAloney, a well known contractor, living at 33 York Street, Halifax, in a statement while in Kinley's recent.

"Four bottles of Tanlac has not only relieved me entirely of a case of stomach trouble that had made life miserable for me for more than five years," he continued, "but I have actually gained twenty-five pounds in weight, besides. I am not exaggerating a bit when I say I am feeling better now than I have in twenty years. Why, I was telling one of my friends the other day that I am feeling like a sixteen year old boy again. The way I have been built up and strengthened has really astonished me."

"I had been suffering, as I said, from stomach trouble and a run down condition for more than five years and till Tanlac came along was never able to find anything to help me. My stomach just seemed to be upset all the time. Nothing tasted or agreed with me and I simply had to force down what little I did eat. My stomach would get as sour as vinegar after meals and I would bloat up with gas and feel miserable for hours. There were sharp, cramping pains all through my stomach, and the gas would press on my heart so at times I could hardly breathe."

"After going to bed at night this gas would bother me, so I couldn't rest. Many a night I have gotten out of bed and walked the floor never getting a wink of sleep. I have had to lay off from my work getting for weeks at a time just suffering agony with my stomach, and had lost all of thirty pounds in weight. I would wake up in the mornings feeling so tired and no account that it was an effort for me to get out of bed. I was habitually constipated and had a dull, nagging headache nearly all the time. I had suffered so much and so long that I had about reached the point where I didn't care whether I lived or not."

"But I feel altogether different since Tanlac has straightened me out and built me up so wonderfully. Before I had finished my first bottle there was a decided improvement in my condition. I am eating three good, square meals a day and my stomach never gives me the least trouble. I don't believe I have ever enjoyed my meals more and I can eat anything set before me. I have been relieved of constipation and headache and that tired, worn out feeling has left me, too. I can sleep, like a log every night and get up in the mornings ready for a hearty breakfast and a good day's work."

"I tell you I simply feel like a new man and I am glad to give this statement to be used in letting others know what it is that restored my health. TANLAC is sold in Campbellton by Thomas Wray, Druggist."

The New Motor Car

The Greatest Improvement In Riding Comfort Since the Introduction of Pneumatic Tires

HERE is a brand new type of car, built in Canada by Canadians, for Canadians. It solves the problem which has baffled automotive engineers—how to combine riding comfort with light weight and economy.

Our new Three-Point Cantilever Springs make this possible.

These are the first springs of their kind and they are made of chrome vanadium steel. They are exclusive with Overland.

Because of these springs, Overland 4 combines the riding qualities of large, heavy, expensive, long wheelbase cars, together with the advantages and economy of small, light cars.

With 100-inch wheelbase, Overland 4 has the luxurious riding ease of 130-inch Springbase.

The exclusive, Three-Point Cantilever Springs cushion the car so that it rides well on all roads; they reduce choppy rebounds and side swaying, protect the car from road shocks and

THICK, GLOSSY HAIR
FREE FROM DANDRUFF
 Girls! Try it! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fall out and die; the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.
