THE LOUISIANA LOTTERY.

Nature of the Bill Just Passed by th

Baton Rouge Legislature. BATON ROUGE, La., June 26.-The lotter bill which was passed by the House las night is an act providing for the submission night is an act providing for the submission to the people of an amendment to the con-stitution, inserting therein an article or levees, schools, charities, pensions, drainag and lotteries, embodying a contract with John A. Morris and associates, by which they agree to pay the state \$1,000,000 pe annum for lottery privileges for twenty. It years, and providing that the money paid to the state shall be expended as follows pe the state shall be expended as follows pe annum: For leves, \$350,000; draining i the city of New Orleans, \$100,000; publi schools, \$350,000; for charities and pension

the city of New Oriests, stoked, passing schools, §50,000; for charities and pension \$200,000. Before the bill was finally passed a amendment eliminating the monopoly fe-tures of the bill was adopted. It is unde stood that the senate will amend the bi by increasing the amount to be paid b Mr. Morris to \$1,250,000 per annum an that the friends of the measure in th aouse will accept the amendment. Ameno ments to the constitution require a twe thirds vote before they can be submitted the been with the amendment above men-tioned.

the Senate with the senate with the measure tioned. Mr. Morris has agreed, if the measure finally adopted to advance the state \$1,000,0 in 1890 and \$1,000,000 in 1891 for levee pu poses, enabling the state to reconstruct h broken levees and raise the grade of all the height required for the protection of t alluvial lands of the state from overflow.

THE FLOUR MARKET.

Some Improvement Noted at Minneapo -Wheat Thought to be Low Enough. MINNEAPOLIS, June 26.-The Northwe

When the ansulate to be when here the win Miller says: The aggregate flour prodi-tion of 11 mills last week was \$2,500 barrs Present infications point to an output t week of 75,000 barrels. There is a rath-better tone to the flour market, and co fidence appears to be growing. Many le ing lights of the trade, who have unfil n believed wheat too high, think it 1 got down to a solid basis, a look for a stronger market and proved business. Stocks in the hair of middlemen are declared to be excessivi-light. Local millers had more of a call flour during three or four days ending. M days and sold the most proportionately at they have in some time. Considerable pat was claimed to have been sold on a basis extremely low. Some patents have the form 328 dd to 328. London bakers is als rather better demand for export. The port shipments for the week were 200 what Theon Writest. Write Right.

What Thou Writest, Write Right.

What Thon Writest, Write Right. Write we know is written right, When we see it written writet. But when we see it written wright. We know it is not written right: For write, to have it written right. No yet should it be written right. But write, for so 'tis written right. We know whereol we write; and clair be right, when we write regarding the p benefits derived from the use of Lact Food. Physicians who are progressive who cling to no rite of old write and say a Lactated Food. A careful analysis of food has shown that it contains vastly of the elements of nutrition and buildin properties than any other known food.

tood has shown that it contains vasily n or the elements of nutrition and buildin properties than any other known food. It is the best at all times for invalids; dyspepsis, nourishes the aged, increases of milk in weak mothers, makes teet easy, gives matural sleep, cures Choler fantum; and lastly it is the physician' vorite, and in every respect a "Pe Fod." Mothers, your great desire, is to see hables look strong and vigorous; you them to rest well and be happy; you wi have peace, joy and contentment in homes; if this be your desire, use this brated Lactated Food, no other kind of will produce these results. The annual gymnastic competition at Upper Canada College took place yesterday several candidates last night. At the last meeting of this month all the L.O.F, subordinate courts will nominate and elect of ficers and appoint delegates to the High Court; which will be held in Guelph Aug. 18. The meet-ing of the High Court this year is being looked forward to with a great deal of interest, as a larger representation will be there than ever before, and matters of importance will be dis-cussed. of Ottawa. On Garrison Common. Upper Canada College took place yesternay afternoon in the gymnasium, before the principal and masters and a large gathering of the bays. The open competition was most keenly contested, Fulton and Wilson being applanded again and again for their good work. Fulton won this event by a small majority, there being only a few marks dif-ference. Wilson captured the prize for the 16 and under class, while J. S. Macdonell came first in the lat form competition. Speaking of the exceptionally high rate of mortality among the members of the Cana-dian House of Commons, The Canada Health Journal says: For Colds or Pain. From Police Blotters. From Police Blotters. James B. Burrows, 54 Oxford-street, is in Agnesstreet station charged with indecent as-sault. Patrick Ryan, 54 Elizabeth-street, raised a dis-turbance in York-street last night and was locked For Colds of Fault. Yellow Oil is the best remedy I ever used. I had a bealing breast 15 months ago, which was very sore. I got no relief until 1 tried Hagyard's Yellow Oil, which gave instant relief. Mns. JNO. CORBETT, St. Mary's, Ont. For croup, quinsy or colds use Yellow Oil. CRICKET AT TRINITT. East Teronto Puts up a Strong Game Against the Collegians. East Toronto and Trinity University met on the Trinity grounds yesterday afternoon for a half day match, a postponed game from that of May 10, which was prevented by rain. The East Torontoe winning the toss went to bat and succeeded in making the respectable score of 100, of which 44 was due to Harri-son, who played an admirable innings, not marred by a single chance. E. Smith also played well for his runs, making 12. Grout's bowling was steady and effective. Trinity went in at 5% having an hour to play. When stumps were drawn, 8 wickets were down for 50 runs. The match was therefores a draw, considerably in favor of East Toronto, who were playing up strongly to get the Trinity men but before time was up, but could not quite manage it. Cameron for East Toronto howled extremely well, taking 6 wickets for 17 runs in 10 overs. Score: East Teronto Puts up a Strong Gan sournat says: It is impossible to conceive of any special or essential cause by which the life of the politician should be rendered as hazardous as that of some of the most hazardous of trades or occupations. It is not probable that the chamber in the House of Commons has any connection with it. The chief cause may probably be most reasonably in-chief cause may probably be most reasonably in-clusted in the general term of irregular habits of lyring—want of out-door exercise, etc.—and want of moderate care on the part of each individual member for his own physical well-being. Yellow Oil has done good work for 30 years in curing muscular rheimatism, lumbago, croup, quinsy, colds, spraus, briliese, burns and all pains and aches. It is equally good for man or beast. appiancies again and again to take good work.
