The match at Grimsby (Eng.) on Thursday resulted in the defeat of the Canadian-American team by 4 goals to none. It was the roughest game that the visitors have had on tour, and several of their team were severely injured. It was the rough work of Grimsby town and not good play that de-cided the match. The Grimsby club were winners of the Lincolnshire cup in 1885 and 78, third in Alliance this year.
