SPECIAL NOTICE

Our time for changing ads. is Monday, 12 o'clock noon. After this hour all ads. are refused for the current week's issue.

AN IMPORTANT MATTER

We regret to state that scarlet fever has broken out in Paradise and it is reported to be spreading quite rapidly. It is further reported that only one out of the seven houses infested with the disease has been properly placarded and strictly quarantined. We would think that the County health officer would give this prompt attention and see that the law is carried out in every respect. A public health officer is appointed for the purpose of guarding the health of the public in the Municipality which he represents and we do not know of any reason to prevent him from carrying out the law in every detail. We can assure the people of Paradise that the MONITOR is always ready to take up any matter editorially in the interest of the general public and we believe that if there has been any neglect in this matter it will be remedied at once.

THURSDAY'S STORM

High Wind Caused Considerable Damage in Bridgetown and Vicinity

Following one of the lowest barometers ever recorded in Bridgetown a gale of wind passed over this part of the province last Thursday afternoon, continuing until after midnight, which did considerable damage. Chimneys were blown from several houses and business blocks, a barn near Carleton's Corner blown down and completely destroyed also the large barn on the W. R. Troop property at Granville.

Our correspondents from the various villages report a number of chimneys blown down, barns and other out buildings unroofed, etc. but as far as we can learn no persons were injured.
The electric light service was somewhat interfered with. The whole town was in darkness for a short time and the house circuit in the eastern end of the town was off all night. The street service was maintained. Manager Campbell and his staff were on their job immediately and the damage was soon repaired. The following night all lights were on as usual.

THE FORWARD MOVEMENT

We have not as yet been able to obtain complete figures from the various denominations in this district. We have learned, however, that Mr. B. H. Hardwick, of Annapolis, contributed \$500.00 to the Methodist Church, \$500.00 to the Baptist Church, \$500.00 to the Church of England, these two gentlemen being the largest individual contributors in the Annapolis District. Messrs. Edward A. and Henry B. Hicks have given the Methodist the sum of \$500 in memory of their late mother, Mrs. Sara C. Hicks, daughter of the late Rev. Thomas H. Davies.

WEDDING BELLS

MCDORMAND-HAINES
Married at the Baptist parsonage at Westport, on the 9th, Miss Margaret Haines, of Freeport, to Ernest M. McDormand, of Westport. Rev. E. P. Calder, officiating. On Tuesday evening a reception was held at the home of the groom's parents when a very pleasant and social time was enjoyed. Many useful presents were left for the house-keeping establishment of the young couple.

HIS ONLY REGRET

Office Boy—Please, sir, a gentleman called when you was out, Editor—What did he want? Office Boy—"E. said 'e came to give you a good thrashing, Editor—Did he? What did you tell him? Office Boy—"E said I was sorry you wasn't in."

Local Happenings

Mrs. Chas Norman broke her wrist Sunday night.

A number of Bridgetown families who have been suffering with influenza are now convalescing.

It is said that the five Toronto daily papers have together purchased a mill to supply their newsprint.

It is now Lent and we suppose that many of the dances and other public and private parties will be discontinued.

Mrs. Nelson Birne fell on the ice Sunday afternoon breaking her left wrist. Her friends wish her speedy recovery.

We are informed that the Baptist of Hamilton subscribed \$652.00 to the Forward Movement. Their objective was only \$300.

Sleighting parties from Bridgetown to the Demonstration Building, Lawrencetown, Monday and Tuesday evening were very pleasant events.

The regular meeting of the Ladies Auxiliary of the G. W. V. A. will meet on Thursday, the 26th, at 8 p. m. in the G. W. V. A. room, Dargies Building.

Every dollar spent at home helps to make your town a live one. Every dollar sent away from home helps to make your town a dead one. Which do you want it to be?

A large number of friends from Clementsvalle took advantage of the good sleighing Tuesday night, driving to Bear River where a pleasant time was spent at the home of E. Vernon Jones.

Miss Kathleen Dargie, daughter of Mr. and Mrs. John D. Dargie broke her ankle recently while skating. Her many friends will be pleased to learn she is doing as well as can be expected.

A number of the business men from around town enjoyed a sleigh drive to Beeler & Peters' camp on the Morse Road Friday night who supper was served, followed by a very pleasant evening.

Mrs. M. C. Foster, received word by wire on Wednesday last of the death of her sister, Annie, wife of Mr. Elbert F. Marshall, of Keene, N. H., who passed away with pneumonia, following influenza.

Will anyone having an extra piece of furniture that could be used to make the G. W. V. A. room comfortable please communicate with the secretary of the Ladies' Auxiliary, Miss B. H. Ruggles, Bridgetown.

In our last issue we asked the various denominations to give us in figures the result of the Forward Movement in the Annapolis district. We have heard nothing officially from the Baptists and Presbyterians. Saturday evening the various staffs of the Halifax Herald presented a loving cup to Senator Wm. Dennis, who has been associated with the paper from the time of its first issue 45 years ago. Mrs. Dennis was presented with a bouquet.

The regular meeting of the Bridgetown Branch G. W. V. A. will be held at the room in the Ruggles building at 8 o'clock next Friday evening, February 27th, 1920. All members are respectfully requested to be present.

Dr. J. W. Robertson's Visit to Nova Scotia

The Secretary for Agriculture has arranged the following itinerary for Dr. J. W. Robertson, Turro, March 2nd, Halifax and Dartmouth, March 3rd and 4th, Antigonish March 5th, Windsor March 8th, Kentville March 9th, Lawrencetown March 10th, Little Brook, Digby Co., 11th and Yarmouth March 12th.

Dr. Robertson represented Canada in an official capacity at the Peace Conference and is thoroughly familiar with conditions in Europe. He should be heard by everyone interested in Canada's present economic position and in her prospects for future trade development. He has a message which will be of interest to all and few men in Canada can present a message in as interesting and instructive a way as he can.

Should Attract Large Congregations

Rev. M. S. Richardson, the popular pastor of the Bridgetown Baptist Church, has arranged a series of Sunday evening topics entitled "Representative men of the New Testament", to be delivered on the following dates:

March 7th The Man Who Sought Christ
March 14 The Man Who Denied Christ
March 21 The Man Who Doubted Christ
March 28 The Man Who Refused Christ
April 4 The Man Who Accepted Christ
April 11 The Man Who Loved Christ
Few preachers can excel Rev. Mr. Richardson in the preparations or delivery of his sermons and we believe the above subjects will draw large congregations.

\$2,000 IN TEN MINUTES

Annapolis was enthusiastically aroused and gave itself the surprise of its life at the Concert last Thursday night by the Annapolis Royal Concert Band and Glee Club. Paul Yates conductor, when a crowded house after listening to short comments by Mayor King, ex-Mayor Atlee, and other prominent citizens subscribed over \$2,000 in less than 10 minutes, supplementing it the following day by further subscriptions totaling \$2,030 for band maintenance and expansion during the year. The band has proved a valuable asset for the town, and Annapolis has established a record in showing its appreciation.
